Annual Report of the Council

Sixteenth Annual Report of the Council

for the

Year ended 31st October, 1938

TO THE MEMBERS OF THE CORPORATION

Ladies and Gentlemen,

Your Council have pleasure in presenting a report of the development and progress of the Corporation during the year ended 31st October, 1938.

PRESIDENT

1. The Right Hon. The Earl of Iddesleigh received from His Honour Judge Kennedy, K.C., the President's Badge of Office on November 26th, 1937. The Corporation is fortunate in having so distinguished a President to lead its affairs and we take this opportunity of expressing to His Lordship the gratification of every member on his acceptance of this high office.

During His Lordship's first year of office the Corporation has continued to extend not only its membership, but its sphere of usefulness in the profession, which in many directions has made itself manifest.

THE IMMEDIATE PAST-PRESIDENT

2. We are privileged to report that His Honour Judge Kennedy, K.C., has kindly consented to accept

C.C.S. Year Book, 1939

his portrait in oils as a token of the Corporation's esteem and appreciation of His Honour's Presidency over a period of ten years. This presentation will be made as a result of a spontaneous desire expressed by the Members at their last Annual General Meeting, emphasising not only their affection for His Honour, but their high regard of the interest he took, and continues to maintain in the welfare of the Corporation.

It is anticipated that the portrait will be formally presented at a dinner to be held in March next. Further information in reference to the proposed event will be issued to Members in due course.

CHAIRMAN

3. It was with profound regret that your Council were forced to accede to the request of Mr. R. Hugh Waite, F.C.C.S., to resign his membership and Chairmanship of the Council owing to reasons of health. Despite frequent warnings of his medical adviser, Mr. Waite strove for many months to continue to guide your Council with clear judgment and unflinching patience, but he waged a losing battle against sickness and subsequently suffered a complete breakdown in health. This enforced retirement caused considerable unhappiness to Mr. Waite who had made definite plans for the Corporation's future progress, and this opportunity is taken to express to him our esteem and to thank him for his splendid services.

Mr. E. R. Hanchet, B.A., F.C.C.S., was appointed Chairman of the Corporation in succession to Mr. Waite.

NEW MEMBERS OF THE COUNCIL

4. Mr. Harrie J. King, F.C.C.S., Secretary of the Institute of Wireless Technology, and Mr. John J.

Annual Report of the Council

Towe, A.C.C.S., Personal Assistant to the Secretary, North-Eastern Electric Supply Co., Ltd., were duly elected Members of the Council at the last Annual Meeting, and have rendered valuable services.

Major Raphael Jackson, T.D., D.L., F.C.C.S., was co-opted on your Council for the remainder of the year, and you will observe that he is eligible for re-election. Since his appointment, Major Jackson has rendered much service, and he is untiring in his efforts to promote the welfare of the Corporation. Major Jackson is already well known to many Members as being intimately connected with the civic and public life of the country, and his readiness to accept office at such short notice was much appreciated.

COUNCIL AND COMMITTEE MEETINGS

5. Fourteen meetings of the Council and Committees have been held, and at each meeting there has been a satisfactory attendance.

MEMBERSHIP

6. During the year 116 Fellows, 145 Associates and 427 Students were admitted to the Register, making a total increase of 688. During the year 44 Associates were transferred to Fellowship.

It is with considerable pride that we place this outstanding report before you as evidence that this year has been of greater importance than any previous year, and that more Members and Students have been admitted than in any year since our inception.

Resignations, deaths and other causes have removed the names of 55 Members and 157 Students from the Register. The total number of Members on the Register

C.C.S. Year Book, 1939

at 31st October, 1938, was 1,258, of whom 623 were Fellows and 635 were Associates. The number of Students on the Register at the end of the year was 1,244. Together the number of Members and Registered Students on the Register at the end of the year was 2,502, indicating a net increase of 476.

This splendid record is indicative of the high opinion of the profession for the Corporation's work, and demonstrates that the foresight in moving our headquarters to London has been satisfactorily rewarded.

SECRETARIES HALL

7. At the Annual General Meeting, the Members readily approved the purchase of the freehold property at 28 Fitzroy Square, London, W.1, and since that time the building has been put into first-class repair throughout. On November 25th the Right Hon. The Earl of Iddesleigh will formally open Secretaries Hall. This ceremony will be witnessed by a large number of distinguished guests and members.

We feel certain that the title adopted for our new headquarters will meet with the wholehearted approval of all Members. Further, it is fitting that the Corporation, as one of the leading professional institutions in the country, should give to its building a title which is at once self-explanatory and dignified.

A considerable sum of money has been spent in making our new offices attractive and comfortable, and we take this opportunity of thanking those Members who have so generously forwarded donations towards a Building Fund which was instituted at the request of a Member. The amount donated has enabled your Council to carry out certain repairs and decorations

Annual Report of the Council

which might otherwise have been held in abeyance. It is, however, pleasing to report that the property has been placed on a revenue-earning basis. The purchase of our new headquarters is the most important event in the history of the Corporation, and we are to be congratulated on having such an important building situated in the heart of London.

We are grateful to the ladies and gentlemen who have assisted the Corporation in furnishings, and, in particular, we thank the National Provincial Bank Ltd., for their helpful co-operation. We also acknowledge the services of our Solicitors, Messrs. Joynson-Hicks & Co., who attended to the legal formalities.

THE CORPORATION OVERSEAS

8. The admission of new Members, and, in particular, the registration of new Students, has greatly exceeded previous records, and we take this opportunity of thanking the Hon. Representatives who have so efficiently and willingly given so much of their time to the welfare of the Corporation. We particularly desire to mention the India Advisory Board, of which Sir Jamsetjee Jeejeebhoy, Bart., is the President; Mr. K. R. P. Shroff, J.P., President of the Bombay Stock Exchange, Chairman; and Professor Sohrab R. Davar, M.L.C., J.P., F.C.C.S., Hon. Registrar, for their continued efforts to maintain the highest traditions of the Corporation.

At the same time we wish to express our appreciation of the services of Mr. C. W. Mackay, F.C.C.S. (His Worship the Mayor of Dundee, Natal), who has for many years rendered yeoman service in promoting and developing the Corporation in South Africa.

C.C.S. Year Book, 1939

Mr. J. R. Kinsman, our Representative in Australia, whilst on a visit to Great Britain, called at Secretaries Hall. Our Secretary was thus able to thank him personally for his interest in the activities of the Corporation. We also welcome the appointment of Mr. H. Smith, F.C.C.S., as the Hon. Representative for Southern Rhodesia, who also called at Secretaries Hall when on a visit to this country a few months ago.

EXAMINATIONS

9. 393 Candidates entered for the examinations held during the year, as follows: —

Preliminary 20, Intermediate 220, Final (Part 1) 41.

Final (Part 2) 40, (Complete) 72.

Of this number, 72 per cent satisfied the Board of Examiners and were awarded Certificates.

PRIZES

10. Prizes have been presented to certain technical schools to be awarded to their best students of Secretarial Practice.

The "Kennedy" Medals were awarded to Robert Nicholas Bolton, of Dublin, and Harold Walter Williams, of West Bromwich, who obtained the highest marks at the Intermediate Examinations.

The "Sir Cuthbert Grundy" Medals were awarded to William James Pettifer, of London, and George Albert Lear, of Southport, who obtained the highest marks at the Final Examinations.

Annual Report of the Council

PUBLICATIONS

11. The Examination Syllabus has again been revised and is now a comprehensive guide to all who are desirous of qualifying for the Certificates of the Corporation. Thousands of copies of the new Syllabus have been distributed, and the many requests which are being received daily indicate that there are many hundreds of young men and women preparing for the examinations, although they have not yet become Registered Students.

The Year Book was produced by Sir Isaac Pitman & Sons, Ltd., of London, and is a valuable book of reference. This publication continues to increase in size and circulation, and we would urge Members to return the Record Forms, so as to enable the Year Book to be a reliable record of our membership.

The Corporation's Manual of Secretarial Practice continues to extend in circulation, and we recommend all those who have not yet purchased a copy to do so, as we feel that this Manual should be in the library of every member, whilst Registered Students will find it most helpful not only in their studies, but also later when they have qualified for membership.

HOSPITAL ADMINISTRATION

12. We desire to express our appreciation of the services rendered by Sir Charles Grant Robertson, C.V.O., LL.D., M.A., Vice-Chancellor of the University, Birmingham, and Captain J. E. Stone, M.C., F.S.A.A., F.R.Econ.S., F.S.S., the Chairman and Deputy Chairman respectively of the Hospital Administration Advisory Committee.

C.C.S. Year Book, 1939

It is gratifying to mention that the London County Council have instituted classes in Hospital Administration which are particularly applicable to those who are desirous of taking the Corporation's examinations in Hospital Administration, and we trust that this reference may encourage our members holding Hospital Administration appointments within the Metropolitan area to urge the junior members of their staffs to attend these classes, for by so doing they not only help to improve the capacity and usefulness of their juniors but they obtain a broad outlook and knowledge of Hospital Administration, which will be of considerable value to the individual and to hospital work generally.

LOCAL GOVERNMENT ADMINISTRATION

13. This section of the Corporation's work continues to attract many Local Government Officers, and we would appeal to those of our Members who are Clerks to Municipal, Urban or Rural District Councils to recommend the Local Government Administration examinations to their staffs as a useful method of advancement. We also trust that where there are schemes for the provision of increments in recognition of examination successes, the name of the Corporation be included.

Our thanks are also due to Mr. Herbert Emerson Smith, LL.B., Town Clerk of Wimbledon, the Chairman, and the other members of the Local Government Administration Advisory Board, for their services rendered during the year.

BOARD OF EXAMINERS

14. Mr. H. A. R. J. Wilson, F.C.C.S., F.C.A., one of the authors of the Corporation's Manual of Secretarial

Annual Report of the Council

Practice, has been appointed a member of the Board of Examiners, and we desire to express our appreciation to him and to every other member of the Board, and in particular to those who have replied to the questionnaires from our Secretary regarding enquiries on examination problems from Members and Registered Students.

CHAMBER OF COMMERCE

15. The corporation continues to be associated with the Chamber of Commerce movement.

BRANCHES AND CENTRES

16. The records received from the Branches and Centres indicate that Members and Registered Students are enjoying the meetings and lectures organised for their benefit.

This opportunity is taken to express our thanks to all Officers and Committees who have, during the past year, given so much time and labour to the advancement of their respective Branches and Centres.

An important feature is the promotion and development of Students' Societies, and of which there are now four, situate in Birmingham, London, Manchester, and Newcastle-on-Tyne.

The growth and development of the Student movement is being encouraged and we believe that during the forthcoming year there will be considerable activity in this direction.

LIBRARY

17. The Library is now conveniently accommodated at Secretaries Hall, and already many visitors have

C.C.S. Year Book, 1939

called to borrow books, and to read the newspapers and journals which are now a permanent feature of this service.

This report would not be complete if we did not refer to the gifts which have been received from Members, and, in some cases, from Registered Students, of text-books and other volumes. These have proved to be very useful additions to the Library, and we assure them that their action is greatly appreciated by the Council.

18. We again desire to express our appreciation of the continued interest of our Vice-Presidents in the work of the Corporation.

BENEVOLENT FUND

19. The contributions and donations received during the year will be referred to in the Annual Report of the Trustees prior to the Annual Meeting of Subscribers, but we desire to commend the objects of the Fund to every Member of the Corporation.

A. T. Pike, O.B.E., J.P., F.C.C.S. (His Worship the Mayor of Finchley); Mr. Herbert Emerson Smith, LL.B., Town Clerk of Wimbledon (Chairman of the Corporation's Advisory Committee for Local Government Administration); Councillor John Sporni, M.I. With reference to the Banquet to be held on November 25th, we are pleased to say that the Right Hon. The Earl of Iddesleigh, President of the Corporation, has kindly consented to preside. The Right Hon. Lord Lamington, G.C.M.G., G.C.I.E., will propose the toast of "The Corporation of Certified Secretaries," to which our President will respond.

Sir Patrick Hannon, M.P., and other distinguished visitors will also be present. This banquet is of considerable importance, as it will enable members to celebrate the official opening of Secretaries Hall by His Lordship the President in the afternoon of the same day, and we therefore urge all who can to be present.

The well-known "Embassy Band" has been engaged to provide music during dinner and for dancing after dinner until 1 a.m.

NATIONAL CRISIS

21. The Corporation played its part in the National Crisis and communications were exchanged with the War Office with the result that Members are eligible for registration in the Officers' Emergency Reserve provided their other qualifications are satisfactory. In the event of mobilisation their services would in all

probability be enlisted with the Royal Army Pay Corps. Members who have passed the examinations of the Corporation in Hospital Administration are also eligible for enlistment in the Royal Army Medical Corps (Territorial Army). It has been emphasised that a *personnel* trained in Secretarial work would be valuable in the Royal Army Service Corps, units of the Territorial Army, and also in the Supplementary Reserve.

We acknowledge the many letters received from members who have expressed their appreciation of the steps taken by our Secretary to protect and promote the interests of the Corporation in the event of a national emergency.

COUNCIL

22. The Members of the Council due to retire in rotation are E. R. Hanchet, B.A., F.C.C.S., Colchester, and Major Raphael Jackson, T.D., D.L., F.C.C.S., London, and, being eligible, offer themselves for re-election.

The following member has been nominated for election—L. G. Greatbatch, F.C.C.S., Birmingham.

ACCOUNTS

23. The Accounts of the Corporation are appended. They indicate an improved state of our finances befitting the second largest Professional Body of Secretaries.

AUDITOR

24. Mr. James Jackson, F.C.C.S., Chartered Accountant, London, retires and is eligible for re-appointment.

In conclusion, we take this opportunity of thanking all members and others who have in any way whatsoever assisted the promotion of the Corporation's objects

Annual Report of the Council

and which has resulted in such a satisfactory report being presented to you.

Finally, your Council feel that this Report would be incomplete without a special reference to their Secretary, Mr. George R. Drysdale, F.C.C.S. During a year of rapid expansion and progress he has discharged his duties with zealous ability, and the Corporation's success is largely due to his untiring efforts.

By Order of the Council,

ERNEST R. HANCHET, Chairman.

GEORGE R. DRYSDALE, Secretary.

REPORT OF THE TRUSTEES

For the Year ended 31st December, 1938

The number of subscribers for the year under review is 326 which compares very favourable with the 257 subscribers for the preceding year.

Annual subscriptions and donations amounted to £110 14s. 6d., which is an advance of £30 5s. 3d., over the contributions received last year.

The moneys have been invested on deposit with the Birmingham Municipal Bank Limited, and you will observe that the Assets show an appreciable increase over those previously published.

The names of the contributors have been announced in the Journal and a complete list will be published in the Corporation's Year Book.

The Trustees desire to express their gratitude to all those who have helped this worthy cause, and, in particular, would thank the Members and Registered Students who have so kindly completed a Bank Order on behalf of the Fund.

It is earnestly hoped that Members and Registered Students who have not yet seen their way to become annual subscribers will decide to do so, and will bear in mind the very important and benevolent objects of the Fund.

Special mention must be made of the generosity of the Right Hon. The Earl of Iddesleigh, President of the Corporation, who has given a donation of five guineas and the Trustees assure his Lordship that his kindly interest is a great incentive to all to build up a sufficiently large fund producing adequate income to assist indigent colleagues or their dependants in time of need.

The postage expenses have been very kindly met by the Corporation and this has relieved the Fund of much expenditure.

In conclusion, an appeal is made to every Member and Student of the Corporation to subscribe in accordance with their means, thus granting the hope expressed by the President that they might "be mindful of less fortunate brethren who fall by the way."
