# PREFACE

This is a companion volume to the author's Hindustānī and English Dictionary.

It contains more words than are generally found in other works, with the addition of many thousand idioms and phrases with their Hindustānī equivalents

Its chief features are :—

*First.*—A greater degree of fulness and accuracy than have yet been attained.

*Second.*—A considerable number of English phrases and idioms, with idiomatic Hindustānī translations.

*Third.*—Technical terms in European Arts, Science, and Philosophy rendered for the first time in popular Hindustānī, in addition to the Arabic and Sanskrit terms in present use in Government Colleges and Schools.

*Fourth.*—The primary and secondary English meanings with their Hindustānī equivalents arranged in logical order.

*Fifth.*—The Hindustānī equivalents so arranged that the more commonly used or colloquial phrase comes before the less used or pedantic one.

*Sixth.*—Examples, chiefly colloquial, with idiomatic translations, sometimes in verse.

*Seventh.*—The examples sometimes consist of English Proverbs, with idiomatic Hindustānī translations and parallel Native proverbs when there are any.

*Eighth.*—Quotations from standard authors with their metrical renderings to exemplify and illustrate the use and meaning of words.

*Ninth.*—Affinities between Sanskrit, Hindī, Persian, and Arabic words, and their equivalents in Anglo-Saxon, English (with its dialects), and other European languages of the Aryan group.

This work was commenced by the late Dr. S. W. Fallon in 1879. He had personally corrected and revised up to the letter E, and had issued up to the word 'Beastliness.' But unfortunately, on the 3rd day of October 1880, he died in England of mental exhaustion, leaving his work incomplete. The Proprietors have succeeded in completing the work by the aid of his able and efficient staff under the supervision of the Rev. J. D[illegible] the author of a Hindi-English Dictionary.

The Proprietors offer their best acknowledgments to his efficient staff, Lala Faqir Chand, Head Assistant, Lala Chiranji Lal, Lala Thakur Das and Lala Jagan Nath of Delhi, and Mr. S. H. Watling, Head Master of Darbhanga School, for all aid rendered.

In conclusion the Proprietors express their gratitude to the various Governments, especially to the Government of Bengal, to whose sole liberal support the author's two great works owe their existence.

M. D. FALLON,
Executrix to the Estate of the late Dr. S. W. FALLON
