VI. Affiliated and Recognised Colleges.

(i) *Affiliated Colleges.*

25. A consolidated statement of Hostel Returns for 1939-40 received from the Principals of Affiliated Colleges is printed as Hostel Returns.
Appendix—A.

26. Some of the points of special interest dealt with in the General course of the year are indicated below :—

- (1) When the question regarding the necessity of appointing Tutors in English was referred to the Board of Studies in English, the Board expressed that Lecturers having about 13 hours lecturing work (B. A.) should be exempted from tutorial work and the

correction work should be done by Tutors under the supervision of Lecturers at the rate of about 150 exercises per week for every Tutor.' The Syndicate approved the principle underlying the Board's resolution and requested the Managements and Principals of affiliated colleges to appoint sufficient number of Tutors in English, as was being done in the case of Demonstrators for science subjects and to provide adequately for giving and correcting written work in English.

- (2) In connection with the appointment of a temporary Tutor in English in one college, the Syndicate resolved to inform the colleges that even temporary Tutors and Pandits should be paid the minimum salary in the approved scales.
- (3) The Syndicate disapproved of the proposal of a college to entrust the teachers of the High School with the composition work of Intermediate students and insisted upon the appointment of a full-time Tutor in the English Department of the college for this purpose.
- (4) The Syndicate refused the request of a Demonstrator in Physics of one College for exemption from the minimum qualification for appointment as Assistant Lecturer in the affiliated colleges.

Andhra
Medical
College,
Vizagapatam.

27. In G. O. No. Ms. 785 P.H. dated 29th February 1940, the Government accepted the proposal of the Vice-Chancellor to change the name of the Medical College, Vizagapatam to Andhra Medical College thus making its provincial scope and character clear in its very name.

In G. O. No. Ms. 550 P.H. dated 13-2-1940 of the Education and Public Health Department, Madras, the Government sanctioned

the revision of the qualifications prescribed in the Medical Service Rules for certain posts as noted below :—

Designation of post. (1)	Qualifications prescribed by the Andhra and the Madras Universities. (2)
1. <i>Category 8— Non-clinical Professors—Medical Jurisprudence.</i>	M.D. with a special knowledge of Pathology.

(1)	(2)
11. <i>Clinical Lecturers.</i>	M. D., M.R.C.P., M. S., F.R.C.S., M.R.C.O.G. with special qualification or experience.
12. <i>Clinical Tutors or Assistants.</i>	Should possess a University Degree M.B.B.S. and should have done Post- graduate work in a teaching institu- tion for at least one year.

*Note :—*The Professors should in addition to the academic qualifications prescribed produce evidence of three years' teaching experience in the respective subjects in a Medical College or School.

Professors in the clinical subjects of Medicine, Surgery and Obstetrics and clinical lecturers in these subjects should possess four years' experience in the practice of speciality subsequent to obtaining the higher qualification.

Regarding the qualifications for the clinical lecturers in the Andhra Medical College, Vizagapatam the Syndicate resolved that—

“The qualifications and attainments of Clinical Lecturers in Hospitals should be the same as those governing the Professors or Lecturers in Clinical subjects who should possess a higher degree (such as M.D. or M.S.) and have practised the speciality for at least four years after having obtained the qualification.”

This was communicated to the Government of Madras and the Surgeon-General with the Government of Madras with this office letter No. 226-C-38 dated 25-9-1939.

On a reference received from the Surgeon-General the University informed him that it was not feasible to introduce Telugu as the medium of instruction in the Andhra Medical College, Vizagapatam.

Reports
from
Recognised
Colleges.

29. The reports on the working and progress of the recognised Colleges for the year were received from all the Colleges and referred to the Board of Studies in Sanskrit and Telugu for remarks.

Sri Sarada
Niketanam.
Guntur.

30. In January 1940, the Syndicate granted permanent recognition to the Sri Sarada Niketanam, Guntur in the Bhasha Praveena Title Courses of Study (Telugu and Sanskrit) with effect from July 1939.

VII. Admission to University Courses.

Moderation
Board.

31. As in previous years, the Syndicate appointed a Board consisting of Messrs. K. Sivaramakrishna Rao, M.A., L.T. (Convener), T. Suryanarayana, B.A. (Cantab), and S. P. Ragland, M. A. for moderating the results of the S.S.L.C. Examination of 1940. The Moderation Board formulated certain rules and these were approved by the Syndicate. The percentage of eligibles was 30 before moderation and 41 after moderation.

S.S.L.C.
Results.

32. A preliminary list of S.S.L.C. holders declared eligible for admission to University Courses of Study in accordance with the Regulation in Chapter XXXII-A of Volume II of the University Code and the rules framed thereunder by the Moderation Board was issued to the Principals of all Affiliated Colleges and Headmasters of recognised High Schools. Exemptions from the operation of the age rule granted by the Director of Public Instruction, Madras to certain pupils were ratified by the Syndicate and their names also included in the list of eligibles. The final list will be published in the *Fort Saint George Gazette* in due course.

E.S.L.C.
Results.

33. A list of E.S.L.C. holders declared eligible for admission to University courses of study was issued to the Principals of all Affiliated Colleges and to the Headmasters of European High Schools.

S.E.E.
Results.

34. As in the previous year, the University published the results of the Sanskrit Entrance Examination and issued copies to the Principals of the Recognised Colleges and to the Headmasters of Sanskrit Schools in the University Area.

35. The Syndicate nominated the following persons as representatives of the University on the S.S.L.C. Board in place of the present members whose term would expire, by efflux of time, on the 14th July 1940 :—

- (i) Mr. V. V. Sarma, M.A., L.T., D.E.O., Guntur (Official).
- (ii) Mr. M. S. Raghavan, M.A., Principal, V. R. College, Nellore (Non-official).
- (iii) Mr. D. Kotayya, B.A., L.T., Headmaster, P. R. College High School, Cocanada.

36. The term of the present representatives of the University on the E.S.L.C. Board extends up to 31-3-1941. But Rev. Father J. Baud, one of the representatives ceased to be the Principal of the St. Aloysius High School, Vizagapatam, on his elevation to the Vicar-Generalship. Acting on the suggestion of the Director of Public Instruction, Madras, the Syndicate however resolved that he might be continued as the University representative on the Board till the expiry of his present term on 31-3-1941.

37. In G.O. No. Ms. 324 Education dated 26-2-1940, the Government after consulting the three Universities ordered that the nomination of members to the Sanskrit Entrance Examination Board should in future be made by the Syndicates of the three Universities in the Presidency, instead of by their Academic Councils.

38. The University of Madras decided to conduct its own Matriculation Examination for purposes of entrance to the courses of studies in the University from the examinations of 1943 and forwarded a copy of their communication to the Government on the subject to the Vice-Chancellor. In December 1939, the Syndicate considered the letter and resolved to make the Matriculation Examination the sole entrance Test for admission to the University courses of study. Subsequently, a Committee was appointed to work out details and the question is now engaging the attention of this Committee.

VIII. Exemptions and Recognitions.

Exemptions. 39. The following is a classified list of exemptions from the production of attendance certificates for the various University Examinations granted during the year under report :—

XI. Donations and Endowments.

51. In October 1939 the Senate made a representation to the Government by the following resolution :—

Govt. orders re. sanction to contributions by Local Bodies.

“(a) This Senate requests Government to sanction unreservedly the annual or recurring grants voted to the University by Local Bodies instead of limiting their currency to the financial year as is now being done, which in practice frustrates the purpose for and with which the donation sections were embodied in the Andhra University Act, firstly, by rendering the institution of Teaching posts and Fellowships, the most important and urgent items in a teaching University, young and undeveloped, impossible as such posts cannot be organised on the basis of uncertain annuities and precarious tenure ; secondly, by rendering a proper budgeting by the University impossible and, thirdly by making the administration of such charities, which under this practice of Government may come only as occasional windfalls in any part of the year, extremely difficult in respect of economy, timeliness of operation and other aspects of planning and efficiency.

(b) This Senate very earnestly represents to Government that in accordance with the spirit of the provisions in the Andhra University Act and the traditions pertaining to University benefactions, not to speak of

the extreme necessities of the case, they may be pleased to sanction unreservedly the annual or recurring donations that may be generously voted for the University by Local Bodies like District Boards and Municipalities without limiting their currency."

G.O. sanctioning contributions by Local Bodies for two consecutive years.

52. In their G.O. No. Ms. 4973 dated 18th December 1939 of the Local Administrative Dept. the Govt. regretted that they were unable to comply with the above request in view of the existing financial position of the local bodies. They, however, stated that they had no objection to sanction the contributions in question for two years consecutively in the first instance provided that there was a resolution of the local body to that effect and that its finances permitted the same. They also stated that contributions for subsequent years would be sanctioned in good time for the University to be aware of the position year after year, taking into consideration the financial position of the local bodies concerned.

53. The Boards and Municipalities which had already voted donations were requested to pass resolutions making their grants consecutive for two years. The other Boards and Municipalities were requested to vote liberally and vote for two years.

54. The following donations and endowments received during the year were utilised for the purposes noted against each :—

Conference.

60. A conference of the members of the Local Bodies who are also members of the Senate and other Senators interested in bringing about intimate co-operation between the University and the Local Bodies was held on 7th October 1939. The ways and means by which the University and the Local Bodies could help each other were discussed at the meeting. The conference was of opinion that among other things, if the Local Bodies would come to the aid of the University by purchasing as many sets of its Publications as there were High Schools and Libraries under their management or control, the University would be enabled to clear off the large amount of unsold stock on hand and to publish more books. Accordingly, the Local Bodies were requested to purchase the Publications of the University. It is a matter for gratification that as a result of the active response of the following Local Bodies the University has had orders for its publications of the value of about Rs.650/- :

	Rs. A. P.
(1) Guntur Municipality	39 0 0
(2) Narasaraopet Municipality	18 8 0
(3) Hindupur Municipality	17 4 0
(4) Bhimilipatam Municipality	4 4 0
(5) Bezwada Municipality	81 0 0
(6) East Godavari District Board	217 12 0
(7) West Godavari District Board	202 8 0
(8) Cuddapah District Board	15 0 0
(9) Kurnool District Board	20 0 0
(10) Vizagapatam District Board	32 4 0

Statement.

61. A detailed statement of the University publications so far printed and sold is furnished in **Appendix C**,

62. The University published the following books during the year :— Publications completed.

- (1) 'Scattering of Light and the Raman Effect' by Professor S. Bhagavantam, Price Rs. 15/-nett or 25 sh. nett.
- (2) 'An Outline of the Mineral Resources of the Andhra Desa' by Dr. C. Mahadevan, Price Re. 0—8—0.

63. The following publications are in Press :—

Publications in press.

- (1) Vidyaranya's Vivarana Prameya Sangraha—Part I Sanskrit Text and Part II English Translation' edited by Dr. Saileswar Sen and Prof. S. S. Suryanarayana Sastri.
- (2) 'Kona Budha Reddy's Ranganatha Ramayanam' edited by Mr. Veturi Prabhakara Sastri.
- (3) 'Advanced History of India—Hindu Period' by Professor P. T. Srinivasa Ayyangar, edited by Mr. Gurti Venket Rao.
- (4) 'Guruprasadam and Guruprasada Sesham' a treatise and commentary on Sanskrit Grammar by Mahamahopadhyaya Dr. Tata Subbaraya Sastri, Kalaprapurna and Mr. Peri Venkateswara Sastri.

64. The University has undertaken to publish the following books :— Publications undertaken.

- (1) * 'A Monograph on Andhra Sculpture' by O. C. Ganguly.
- (2) 'Dwipada Bharatam' by Thimma Kavi, edited by Mr. P. Lakshmikantam.
- (3) 'Intermediate Experimental Physics' by Prof. Vissa Appa Rao.

*N.B. :—The publication of this book was found to be beyond the means of the University. The Government of His Exalted Highness the Nizam of Hyderabad were approached for help. That Government very graciously offered facilities for printing the book at their Press and also donated Rs. 2,000/- in cash in aid of the publication. The Syndicate gratefully accepted the help and resolved to publish it under the joint auspices of the Andhra and Osmania Universities, while the copyright and copies will remain the property of the Andhra University.

XIV. Deputations.

Deputations
to Confer-
ences.

65. The following teachers were deputed as delegates to the conferences noted below :—

<i>Name of Delegate.</i>	<i>Name of Conference.</i>	<i>Time and place.</i>
(1) Dr. N. S. Nagendra Nath, M. Sc., Ph. D. Lecturer in Applied Mathematics on depu- tation at Cambridge as 1851 London Exhi- tion Scholar.	International Conference on Physics	Zurich October, 1939.
(2) Vidwan G.J. Somayaji, M.A., L.T., Lecturer in Telugu.	Oriental Conference.	Tirupati March, 1940.

66. At the request of the Indian Union of Local Authorities, Delhi, the University deputed Prof. M. Venkatarangiah, M.A., as an expert to assist the Conference of Provincial Ministers of Local Self Government, Education, Public Health and Public Works held at Bombay on the 3rd and 4th August 1939.

67. The University regretted its inability to accept the invitation of the Indian Historical Records Commission for its session in Calcutta during December 1939.

XV. University Colleges and Development.

Professor-
ships.

68. The Senate approved the proposals of the Syndicate to designate two Professorships—one in the Department of Physics and the other in the Department of Chemistry—as ‘Ramachandra Deo Professorship in Physics’ and ‘Vikrama Deo Professorship in Chemistry’. Accordingly Professor S. Bhagavantam and Prof. T. R. Seshadri were appointed to the ‘Ramachandra Deo Chair of Physics’ and the ‘Vikrama Deo Chair of Chemistry’ respectively.

New Posts.

69. (1) One Readership called the ‘Gandhian Readership’ in Applied Mathematics was founded and the cost thereof being met from the annual grant of Rs. 4,200/- generously sanctioned by the West Godavari Dt. Board, Ellore.

(2) One Lecturership called the 'Gowtami Lecturership' was instituted in the Technology Department and the cost thereof being met from the annual recurring grant of Rs. 3,000/- generously sanctioned by the East Godavari District Board, Cocanada.

(3) The first grade Lecturership in Mechanical Engineering in the Technology Department was converted into a Lecturership in the new grade.

(4) One Tutorship in South Indian Archaeology and Epigraphy with special reference to Andhra Desa was instituted the cost being met from the monthly donation of Rs. 100/- by Prof. Vissa Appa Rao, to the Vice-Chancellor's Fund.

70. Consequent on his appointment as Lecturer in the Hindu College, Masulipatam, Mr. T. Venkatarayudu, M.A., Ag. Lecturer in Applied Mathematics, resigned his post on 5th July 1939, and Mr. T. Narayanamurti, B.A. Hons. (1st class in Mathematics) of the Andhra University was appointed in his place as temporary Lecturer till the close of the Academic year. Teachers who left.

71. Dr. N. S. Nagendra Nath, M.Sc., Ph. D. (Cantab), Lecturer in Applied Mathematics, who was away in Cambridge on deputation as 1851 London Exhibition scholar, and Dr. K. Neelakantam, M.A., Ph. D., Lecturer in Chemistry and Mr. C. Venkata Rao, M. Sc. Hons. (Tech.), D. I. C. (Lond.), Lecturer in Technology who were deputed for undergoing Advanced Analytical Courses and Advanced Chemical Engineering Courses respectively at the Imperial College of Science and Technology, London, returned to service in the University. Teachers who returned.

72. The following teachers were confirmed during the year :—

(With effect from 1-7-'40.)

Teachers who were confirmed.

(a) *Professors :*

- (1) Mr. M. Venkatarangaiya, M.A., Professor, Department of History, Economics and Politics.
- (2) Dr. Saileswar Sen, M. A., D. Phil., D. Litt., Professor, Department of Philosophy.

(3) Mr. S. Bhagavantam, M.Sc., Professor, Department of Physics.

(4) Dr. T. R. Seshadri, M.A., Ph.D., F.I.C. (Lond.), Professor, Department of Chemistry.

(b) *Readers :*

(5) Mr. G. Venket Rao, M.A., LL.B., Reader, Department of History, Economics and Politics.

(6) Mr. A. Seshagiri Rao, M.A., A. S. A. A. (Lond.), Reader, Department of Commerce.

(7) Dr. G. Gopala Rao, M.Sc., D.Sc. (All.), A.I.C. (London), Reader, Department of Chemistry. (With effect from 4-8-'40.)

(8) Dr. I. Ramakrishna Rao, M. A., Ph. D. (Cal.), D. Sc. (Lond.), Reader, Department of Physics.

(c) *Lecturers :*

(9) Mr. T. Satyanarayana Rao, M.A., Lecturer, Department of History, Economics and Politics from 28-6-1939.

(10) Mr. C. Venkata Rao, M. Sc. Hons. (Tech.), D. I. C. (Lond.), Lecturer in Sugar Technology from 29-6-1939.

(11) Mr. P. Surya Prakasa Rao, M. Sc., Lecturer, Department of Chemistry from 21-8-1939.

(12) Mr. C. J. Dasa Rao, B. Sc. (Agr.), M.Sc. Hons., Lecturer, Department of Technology from 21-8-1939.

(13) Dr. S. Gopalakrishnamurti, M.A., D.Sc. (Mad.), Lecturer, Department of Physics from 27-6-1940.

(14) Mr. P. Pattabhiramayya, M.A., M.Sc. Hons., Technician Lecturer, Instruments Manufacturing Section from 1-7-1940.

(15) Mr. S. T. Krishnaswami Chetti, M.A., Technician Lecturer, Instruments Manufacturing Section from 1-7-1940.

The following teachers have been appointed :—

Teachers
appointed.

(a) *Readers :*

- (1) Dr. N. S. Nagendra Nath, M. Sc., Ph. D. (Cantab), as Gandhian Reader in Applied Mathematics from 1-7-1940.
- (2) Mr. C. Venkata Rao, M.Sc. Hons. (Tech.), D. I. C. (London) as Reader in Chemical Technology from 1-7-1940.

(b) *Lecturers :*

- (3) Dr. K. V. Giri, D.Sc. (Cal.), A. I. S. Sc., Lecturer in Bio-Chemistry from 15-1-1940.
- (4) Mr. T. Narayanamurti, B. A. Hons., as Ag. Lecturer in Mathematics from 5-7-1939.
- (5) Mr. P. Suryaprakasa Rao, M. Sc. Hons., as Lecturer in Chemistry from 29-6-1939.
- (6) Mr. C. J. Dasa Rao, B.Sc. (Agr.), M. Sc. Hons., as Lecturer in Chemical Technology from 29-6-1939.
- (7) Mr. N. V. Subba Rao, M. Sc. Hons., as Ag. Lecturer in Chemical Technology from 27-6-1940.

(c) *Lecture Assistant :*

- (8) Mr. N. Rajeswara Rao, M. Sc., as Lecture Assistant in Physics from 15-10-1939.

(d) *Tutors :*

- (9) Mr. V. Narasimhamurti, B.A. Hons., as Tutor in Mathematics from 5-8-1940,
- (10) Mr. M. Somasekhara Sarma, as Tutor in South Indian Archaeology and Epigraphy from 28-11-1939.

(e) *Demonstrators :*

- (11) Mr. J. Bhimasenachar, M. Sc., as Demonstrator in Physics from 6-7-1940.
- (12) Mr. V. Krishnamurti, M.Sc., as Demonstrator in Instruments Manufacturing Section from 12-7-1940. (On leave from 30-8-1940.)

Mr. A. Balankeswara Rao, B. Sc. Hons., as Acting Demonstrator from 30-8-1940.

(13) Mr. K. Venkateswarlu, M. Sc., as Demonstrator in Chemistry from 6-9-1939.

(14) Mr. K. Satyanarayanamurti, M. Sc. Hons., as Demonstrator in Chemistry from 1-7-1940.

**Teaching
Departments.**

73. The report on the working of the various departments of Teaching in the University Colleges is printed as **Appendix D.**

**Instruments
Manufacturing
Section.**

74. The Instruments Manufacturing Section which was organised in 1937 on a temporary basis was made permanent with effect from 1st July 1940. The report on the working of the Instruments Manufacturing Section is printed as **Appendix E.**

**University
Hostel.**

75. Mr. A. Seshagiri Rao, M.A., A.S.A.A. (Lond.), continued to be the Warden of the University Hostel. The Syndicate has framed rules defining the responsibilities of the Resident Tutors in the University Hostel. The strength of the Hostel ranged from 161 to 170 and owing to paucity of rooms, arrangements were made to accommodate two students in a room in about thirty rooms during the first and second terms. The fourth Hostel Block—Viveka Vinyasa was completed in January 1940 and was opened on 17-2-1940 by Mr. P. L. N. Raju, President, District Board, Vizagapatam. As in previous years, the Hostel mess was divided into three sections with its cosmopolitan character unimpaired. During the third term the mess ran only two sections for the sake of economy and the boarding charges averaged at Rs. 11-4-0 per month as against Rs. 11-8-0 in the previous year.

Dispensary.

76. Mr. M. V. Krishna Rao, B.A., M.B.B.S., continued to be the University Medical Adviser. A report on the working of the University Hostel Dispensary and the Medical Inspection of students is printed as **Appendix F.**

**Students'
Union.**

77. The report on the working of the Andhra University Students' Union is printed as **Appendix G.**

**Sports
Association.**

78. The report of the Andhra University Headquarters Amalgamated Sports Association is printed as **Appendix H.**

79. The report on the working of the Andhra University Faculty Club is printed as Appendix I. Faculty Club.

80. The University has taken up the organisation of the Pharmaceutical Courses in the J.V.D. College of Science and Technology and appointed a special Committee to go into the question and report. New Schemes.

81. For a long time the University has had under consideration the question of organising courses in Natural Science subjects. It has now been made possible to take steps for the institution of these courses by the very generous grant which the Government were pleased to sanction. Natural Science Courses :

To secure expert opinion on the organisation of these courses the University appointed a special Committee who met on the 24th April 1940 and recommended the following courses :— (a) Committee of Experts.

(i) B.Sc. Pass (2 years' course) with one Main (either Botany, or Zoology or Geology) and two Subsidiary subjects.

(ii) B.Sc. Hons. (3 years' course) with one Main (either Botany, or Zoology or Geology) and one Subsidiary subject.

The Committee was also of opinion that a beginning could be made in 1941 with Geology as Main and Chemistry and Botany or Physics as Subsidiaries for Pass; and Geology as Main and Chemistry or Botany as Subsidiary for Honours. (b) Pass and Honours Courses.

The Committee of experts further recommended that provision should be made for M.Sc. to be taken one year after B.Sc. Honours or two years after B.Sc. Pass by regular study and examination and that D.Sc. should be taken purely on thesis three years after M. Sc. (c) Master's and Doctorate Courses.

The Committee revised the old building plans and it is expected that this would give us a well approved and thoroughly up-to-date Institution.

The Syndicate considered the above recommendations at its meeting held on 8-6-40. In view of the general opinion that the organisation of the courses in Natural Sciences had been long delayed and on the recommendation of the expert Committee that (d) Special Boards preparing detailed courses.

some of these courses might be started in July 1941, the Syndicate felt that it should take immediate action in the matter and resolved to open Geology classes from July 1941 provided Government gave the necessary amounts recurring and non-recurring and appointed special Boards to prepare draft regulations and syllabuses. The preparation of the detailed courses is engaging the attention of the special Boards.

XVI. University Library.

Staff. 82. During the year under report Mr. S. Parthasarathy, M.A., A.L.A. Ag., Librarian was made permanent in that post with effect from 16-9-39. There were no changes in or additions to the staff.

Extended Hours. 83. The Library continued to work the extended hours. The number of readers during the period of extended hours from 1st July 1939 to 30th June 1940 was 6,000. The figure for the corresponding period of the previous year was 6,286.

Library Committee. 84. Only one meeting of the Committee was held during the period under report on 8-10-'39. Besides, all urgent matters were put before the Committee in circulation.

Additions. 85. The number of volumes added to the Library during the period under report was 1,758 bringing the total collection in the Library on 30th June 1940 to 38,195.

By the courtesy of the *Hindu* and the *Madras Mail* the lists of latest additions to the Library continued to be published in their papers as and when they were ready for issue to members. The system adopted last year of publishing a list of all books added to the library during the previous academic year in the University Colleges Magazine and Chronicle has been continued this year also and will be a regular feature hereafter.

Amount spent. 86. An approximate amount of Rs. 13,314 was spent on books and periodicals this year. Of this about Rs. 5,000 was spent as usual on periodicals alone. The number of periodicals including dailies subscribed for by the Library is about 225.

87. Messrs. P. Varadachary & Sons, Madras, continued to be sole agents for supply of books to the Library.

Sole Agents:
(i) Varadachari Firm.

88. From 1-1-40 the system of getting periodicals from individual publishers has been modified by the appointment of Messrs. B. H. Blackwell Ltd., Oxford, England, as sole agent for supply of all American, Continental and English periodicals for a period of 3 years from 1-1-40. Other periodicals are obtained from the publishers direct as before.

(ii) Blackwell Firm.

89. In addition to teachers and students of the University Colleges, administrative officials and employees of the University, other persons also used the Library on certain conditions. The number of such persons under this latter category was about 35 as against about 40 last year.

Members.

90. Fine Collections on overdue books and penalty for loss of Library tickets during the year were Rs. 197-9-0. The corresponding figure for the previous year was Rs. 148-6-0.

Fine Collections.

91. (a) Books :—In previous years the stock of books was verified by the Librarian and his staff. This year, however, for the first time an independent stock verifier, Mr. A. Ramakrishna Rao, B.A., A.L.A., Lecturer in Telugu in the University College of Arts, has been appointed. He has finished his verification of books and has submitted his report on the results of his verification.

Stock Verification of Books etc.

(b) Furniture :—This year also Mr. S. Parthasarathy Naidu, Vice-Principal, Mrs. A. V. N. College, Vizagapatam has verified the stock of furniture in the Library.

92. The system of Inter-Library loan continued to work satisfactorily. During the year under report the Government of Madras have permitted this Library to borrow books from the Connemara Public Library, Madras, under certain conditions. Besides we have been able to get on loan some books from the Mysore University Library without any condition.

Inter-Library Loan.

Statistics.

93. Statistics of the Progress of work in the Library under various heads with the corresponding figures for the previous year is given below :—

<i>No. of books classified and catalogued.</i>		<i>No. of books re-classified and catalogued.</i>	
1939-40	1938-39	1939-40	1938-39
1,150	1,997	199	1,203
<i>No. of Books issued</i>		<i>No. of Periodicals issued</i>	
28,290	27,772	1,978	2,310
<i>Bindery</i>		1939-40	1938-39
No. of volumes bound		1,505	1,132
Repaired		676	504
No. of dust proof cases made for Mss.		12	16

Acknowledgments.

94. The Library is thankful to the Government of India, the Provincial Governments of Madras, Bombay, Calcutta, Bihar, Orissa, Assam, N. W. F. Province and the Governments of Mysore, Hyderabad, Baroda and Travancore for the continued supply of some of their publications free of cost to the Library.

Among the donors of books to the Library particular mention may be made of Dr. C. R. Reddy, our Vice-Chancellor and Prof. Saileswar Sen of the University College of Arts, Waltair, who have both donated very useful books to the Library.

XVII. Research Work

Research in University Colleges.

95. The following is an account of the Research Work done in the University Colleges :—

I. UNIVERSITY COLLEGE OF ARTS AND COMMERCE.

(a) Department of History :

1. Mr. M. VENKATARANGAIYA, M.A., Professor.

(1) Worked on "A comparative study of systems of Central Control over Local Authorities."

- (2) Contributed to the Indian Political Science Conference a paper on "The Provincialisation of the staff of Local Bodies."

2. Mr. T. SATYANARAYANA RAO, M.A., Lecturer.

Published a paper on "Easy Money Policy" in the Indian Journal of Economics (April, 1940).

(b) *Department of Philosophy :*

3. Dr. P. T. RAJU, M.A., Ph.D. (Cal.), Sastri, Lecturer.

Published the following papers :—

- (1) "Negative judgment in Relation to Reality" (Symposium—Indian Philosophical Congress, 1939).
- (2) "Identity difference in some Vedantic systems" (contribution to Festschrift Sir Denism Ross, Published also in the New Indian Antiquary).
- (3) "Coherence and the moral criterion" (The International Journal of Ethics).
- (4) "The Idealism of Rabindranath Tagore" (The Visvabharati—Quarterly).
- (5) "The Idealism of Dr. Bhagavandas" (The Hindustan Review).

(c) *Department of Mathematics :*

4. Mr. K. NAGABHUSHANAM, M.A., Lecturer.

Research work published "On a property of the Lagrangian" is to appear in the coming issue of the Journal of the Indian Mathematical Society.

5. Mr. K. SAMBASIVA RAO, M.A. Hons., Lecturer.

Papers published :—

- (1) "On Waring's Problem" (Current Science, Vol. VIII, No. 12, 1939).

- (2) "On the number of representations of an integer as the sum of the k th power of a prime and an l th power free integer" (Proc. Ind. Acad. Sci. Vol. XI, No. 5, 1940).
- (3) "Generalisation of a theorem of Pillai Selberg" (Proc. Ind. Acad. Sci. Vol. XI, No. 6, 1940).
- (4) "On Generalised Waring's problem for ordinary integers and primes."
- (5) "On Waring's problem for fifth powers" (4 & 5 with the Sec. London Maths. Society).

(d) *Department of Telugu :*

6. Mr. P. LAKSHMIKANTAM, M.A., First Grade Lecturer.

Editing the Dwipada Bharatam of which the Adiparvam is almost finished.

7. Vidwan G. J. SOMAYAJI, M.A., L.T., P.O.L., First Grade Lecturer.

Investigated the influence of Sanskrit Grammar on Telugu Grammar and read a paper on the subject at the Oriental Conference at Tirupati. The paper will be published very soon.

8. Mr. M. SURYANARAYANA SASTRY, Lecturer.

Revised and enlarged the edition of Andhra Bhashanu Sasanam with a Chapter on old poetical forms newly discovered.

9. Mr. V. Ch. SITARAMASWAMI SASTRY, Lecturer.

- (1) Researched on Prayogavishesams in Ranganadharayanam and Santiparvam in Tikkanabharatam.

- (2) Writing comment of Sanjivani Vivaranam on Bala-vyakaranam.

H. J. V. D. COLLEGE OF SCIENCE AND TECHNOLOGY.

(e) *Department of Physics :*

10. Mr. S. BHAGAVANTAM, M.Sc., Ramachandra Deo Professor in Physics.

Published the following :—

- (1) On the occurrence of overtone lines in Raman Effect (Proceedings of the Indian Academy of Sciences).
- (2) Effect of crystal orientation on the Raman Spectrum of Calcite (Current Science).
- (3) Effect of Crystal orientation on the Raman Spectrum of Calcite (Proceedings of the Indian Academy of Sciences).
- (4) A book entitled 'Scattering of Light and the Raman Effect' (Published by Andhra University).

11. Dr. K. RANGADHAMA RAO, M.A., D.Sc. (Mad.), D.Sc. (Lond.), Reader.

- (1) Investigations on the structure of the OD bands of Heavy water—Part I.
- (2) First spark spectrum of Tellurium Te II—Part I.
- (3) Intergeometric measurements of certain lines in the spectrum of Bromine. (M. G. Sastry thesis submitted for M. Sc).

(Preliminary reports on the first paper have appeared in Nature May, 18, 1940, Current Science April 1940 and May 1940).

12. Dr. I. RAMAKRISHNA RAO, M.A., Ph.D. (Cal.), D.Sc. (Lond.), Reader.

Published the following papers :—

- (1) Molecular Association in Liquid Mixtures (General conclusions).
- (2) Association in Methyl Alcohol.
- (3) Association in Mixtures of Acetone with various liquids,

- (4) Association of Acetic Acid in non-aqueous solvents.
- (5) Temperature Raman Effect in glycerine.
- (6) Raman Effect in sugar.
- (7) Electrolytic Dissociation in sulphuric Acid.
- (8) Frequency changes in the Raman spectrum of sulphuric acid in solution.
- (9) Mutual influence of water and Heavy water.
- (10) Low Frequency Raman bands of water and Heavy water.

13. Mr. K. VENKATESWARLU, M.Sc., Demonstrator.

Published the following papers :—

- (1) "The Polarisation of Raman Lines in Liquids in relation to the molecular structure; Socl. 2, Ch. 3, Cl, and Bcl, 3."
- (2) "Ultrasonic velocities and Adiabatic compressibilities of some organic liquids" (a joint paper with Mr. J. Bhimasenachar) working on the "Effect of crystal orientation on the Raman Spectrum of sulphur."

(f) *Department of Chemistry :*

14. Prof. T. R. SESHADRI, M.A., Ph.D. (Manchester), F.I.C. (Lond.), Vikrama Deo, Professor in Chemistry.

The following main lines of work have been in progress :—

- (1) Chemical study of plant colouring matter.
- (2) Examination of plant drugs and their utilisation in Pharmacy.
- (3) Spectroscopic methods for the study of the structure of molecules.
- (4) Production of Insecticides and paper pulp.
- (5) Chemistry of Fruits and their utilisation.

The following papers were published in collaboration with others :—

- (1) 3-Benzoyl-7-hydroxy flavone with Dr. S. Rangaswami (the first 12 papers in Proc. Ind. Acad. Science).
- (2) Geometrical Inversion in the Acids derived from Coumarins Part VII with Messrs. V. D. N. Sastry and P. Suryaprakasa Rao.
- (3) Raman Effect and Chemical Constitution Part II with Mr. G. V. L. N. Murty.
- (4) Raman Effect and Chemical Constitution Part III with Mr. G. V. L. N. Murty.
- (5) Raman Effect and Chemical Constitution Part IV with Mr. G. V. L. N. Murty.
- (6) Experiments on the synthesis of pyronofurans with Mr. G. V. L. N. Murty.
- (7) Use of Mercuric acetate in Organic preparations Part I with Mr. N. V. Subba Rao.
- (8) Chemical Examination of Senna Leaves with Mr. P. Bhaskararamamurti.
- (9) A note on the preparation of Karanjin and its reactions with Messrs. N. V. Subba Rao and J. Veerabhadra Rao.
- (10) Some mercury compounds of quinine and cinchonine with Mr. N. V. Subba Rao.
- (11) Use of mercuric acetate as an oxidising agent with Mr. N. V. Subba Rao.
- (12) Chemical study of Indian fruits, Part I Bitter principles of Indian Shaddock with Mr. J. Veeraghaviah.
- (13) Preparations of the active principle of *Psoralea corylifolia* with Dr. S. Rangaswami (India Patent 1939).

- (14) Variation in the quality of Pongamia Oil with Mr. N. V. Subba Rao (Current Science).
 - (15) Pharmacy of Psorales and Pongamia with Dr. S. Rangaswami (Indian Journal of Pharmacy).
 - (16) Pongamol, a new crystalline compound of Pongamia oil with Dr. S. Rangaswami (Current Science).
15. Dr. G. GOPALA RAO, M.Sc., D.Sc., (Allahabad), A.I.C. (Lond.), Reader.

Research Publications :—

- (1) Mechanism of Microbiological oxidation of ammonia Part II [Journal of Indian Chemical Society Vol. 16, page 681-690 (1939)].
 - (2) Mechanism of Microbiological oxidation of ammonia Part III (Journal of Indian Chemical Society-in print).
 - (3) Ceramic Resources of the Vizag. and Godavari Districts. (Report to be presented soon).
16. Dr. Bh. S. V. RAGHAVA RAO, M.Sc., A.I.C., Ph.D. (Lond.), A.I.I.Sc., First Grade Lecturer.

The following works are still in progress :—

- (1) Photo conductivity of photo-tropic mercury compounds.
 - (2) Photo voltaic cells with fluoracent electrolytes.
 - (3) Separation of Niotium and Tantalum.
17. Mr. P. SURYAPRAKASA RAO, M.Sc., Hons. (Andhra), Lecturer.

Published :—

"Geometrical Inversion in the Acids derived from the Coumarins" Part VII (Proc. Ind. Acad. Sci. 1939).

18. Dr. S. RANGASWAMI, M.A., Ph.D. (Andhra), Lecturer.

Published the following papers :—

- (1) 3-Benzoyl-7-hydroxy flavone. (Proc. Ind. Acad. Sci. 1939 July).
- (2) Iodized oils (Ind. J. Pharm., 1940 January).

20. Mr. L. RAMACHANDRA RAO, M.Sc., Hons., Demonstrator.

Published a paper on "The Synthetic Experiments in the Burzopyrone series Part II. Synthesis of Phavous and coumarins—7:8 furana p—ones and their derivatives" (Indian Academy of Sciences Vol. XI, No. 3). Some work done in Erythrina Indica alkaloids. Investigations into the nature of the plant pigments of prickly pearfruit, poinciana Regia flowers and sorghum purple glumes are now in progress.

21. Mr. V. D. N. SASTRI, M.Sc., Hons., Demonstrator.

A paper entitled "Geometrical Inversion in the acids derived from coumarins Part VII. "Behaviour of

Acetyl coumaric acids" was published in Indian Academy of Sciences. Work on 3-acetyl, 3-cyano and 3-carboethoxy coumarins and their condensation products is proceeding. Investigation on the Anonas-quanidsin is taken up and is under way.

- (6) A Chapter on the Varma Kings of Kalinga (4th century A. D.) is ready for publication.

XVIII. Site and Buildings.

Forest
Compound.

97. Reference was made in the last annual report (section 131) to Government order stating that about 34 acres of the Forest Compound had been definitely reserved for the Andhra University ; that the University authorities might settle the layout of the entire area and draw up their building programme and that the lands required for it would be alienated to the University as each portion of the building scheme was taken up for execution.

The Government in their order No. 2436 Ms. Revenue dated 20-9-39 accorded sanction to the alienation of T. S. Nos 88-A/3, 88-A/7 and 997/1 measuring 4 acres 25,713 sq. ft. in Forest area. The site was handed over to the University on 30-9-39.

The Government in their G. O. No. 5724-F/39-5 dated 9-2-40 issued orders alienating the remaining portion of the entire area of the Forest Land reserved for the Andhra University. The land was accordingly handed over to the University on 6-3-1940.

Additional
Site.

98. It was stated in the last report (section 132) that the Collector, Vizagapatam had been requested to acquire about 8 acres of land behind the hostel blocks. It is expected that the land would be acquired and handed over to the University during the next year.

The Collector, Vizagapatam forwarding for approval certain conditions for the alienation of the Government land between the Executive Engineer's quarters and the Temple along the Karakachettu Road (T. S. Nos. 54 and 55 of block No. 3 of Waltair Ward) enquired whether the University would be willing to pay Rs. 1,057-11-4 towards the cost of the site. The Syndicate has since agreed to pay the amount.

99. The Government in their G. O. No. 741 (Public Works Buildings Department) dated 9-4-40 had sanctioned the sale of the District Forest Officer's quarters at Waltair together with the site to the Andhra University for Rs. 8,000. The Syndicate having agreed to the offer, the Government handed over the building with the site to the University on 6-6-'40. The sum of Rs. 8,000/- has been paid to the Government.

100. The construction of the following works was completed during the year :—

- (i) Compound wall for the University Campus.
- (ii) „ „ for Sir B.N. Sarma Varam.
- (iii) „ „ for Muhammadan Burial ground.
- (iv) The fourth Hostel Block.
- (v) Guard quarters.
- (vi) Shed for Instruments Manufacturing Section.

The construction of quarters for the Teaching Staff and Administrative officials could not be taken up though the estimates and plans were approved long time back as the Forest land where they are proposed to be constructed was not alienated till recently. As the forest land has since been alienated, the question has again been taken up. Some firms in Madras and Calcutta were furnished with the plans already approved and were requested to quote with specifications and to submit alternative plans wherever necessary. Quotations and plans have been received from two firms and they are under scrutiny.

The construction of the Faculty Club has been taken up. The plan and the estimate were revised down. Tenders were invited and the construction of the building was entrusted to a contractor.

101. The construction of the following works were sanctioned by the Senate for the year 1940-41 in addition to those already sanctioned but not taken up till now :

- (i) Guard and maistry quarters
- (ii) Bath room and Latrine for Hostels.

Natural
Science
College.

102. It is also proposed to construct a subsidiary Chemistry block at a cost of Rs. 24,000/- to be found from the Government Grant of Rs. 3½ lakhs sanctioned for the Natural Science College. The estimate is being placed before the Syndicate.

The plans and estimate for the construction of the Main Natural Science College for which the Government have sanctioned Rs. 3,50,000 in G.O. No. MS. 555 Education dated 1-4-1940 are under preparation.

Insurance of
Buildings.

103. All the buildings except the shed for Instruments Manufacturing Section and shed for Smithy and Foundry were insured against fire with the New India Assurance Co., Ltd., Bombay.

XIX. Finance and Accounts

Accounts.

104. The Accounts of the Andhra University for the year 1939-40 are given in **Appendix K** to this report.

The Development Reserve Fund account which was hitherto extended up to 31-3-1939 has now been ordered to be continued till 31-3-1945.

A new account called 'Depreciation Reserve Fund' has been opened this year to which amount set apart towards depreciation on buildings and equipment is credited.

Audit.

105. The audit for the year 1939-40 was completed and the audit report received from the Examiner, Local Fund Accounts, Madras is printed as **Appendix L** to this report. This will be submitted to the Senate in due course.

The audit department has now brought the audit up to-date and concurrent.

The audit fees for the year 1938-39 were paid in 1939-40.

Budget.

106. The budget showing detailed revised estimates of income and expenditure under the various accounts for the financial year 1939-40 and the budget estimates for 1940-41 were approved by the Senate at its meeting held on 8th March 1940.

107. The Government paid the recurring grant of Grants. Rs. 1,50,000 in monthly instalments of Rs. 12,500 each.

108. The Government in their G.O. No. MS. 555 Edn. dated 1st April 1940 sanctioned a grant of Rs. 3,50,000 towards the establishment of a Natural Science College at Waltair as detailed below :—

	Rs.
Construction of Buildings	2,45,000
Furniture	... 15,000
Equipment of Natural Science Library	... 15,000
Natural Science Laboratory Equipment	... 75,000
	3,50,000

Of this, an amount of Rs. 50,000 has been provided by the Government in their Annual Statement of Expenditure for 1940-41 to be placed at the disposal of the University when the building scheme is undertaken. The remaining portion of the grant is to be disbursed in instalments with reference to the progress of expenditure.

The Government have also sanctioned a recurring grant of Rs. 39,600 towards the cost of employment of Professors and Readers in the Natural Science College and this will be paid with effect from the year in which the buildings are ready and the College begins to function.

109. The Maharaja Sahel of Jeypore paid during the Financial year 1939-40, Rs. 75,000 for 1938-39. Out of the contribution of Rs. 1,00,000 for 1939-40, a sum of Rs. 60,000 has been received to end of June 1940.

It is expected that the balance due for 1939-40 will be received soon.

110. In addition to the recurring grant and other contributions, a sum of Rs. 60,849-0-2 was realised from the following heads during the year 1939-40 and credited to General Account.

XX. Miscellaneous.

113. In grateful recognition of the memorable services of Lord Erskine, the ex-Chancellor of the University in donating Government lands and sanctioning the Natural Science College project, the Senate resolved to confer on him the Honorary Degree of D. Litt. Conferment of Honorary Degree.

114. As in previous years, University Extension Lectures by the teachers of the Affiliated Colleges and others were delivered during the year at selected centres as per programme printed in **Appendix J** to this report. Extension Lectures.

115. At the invitation of the University, Professor Harold Hotelling of the Columbia University, U. S. A., delivered a course of three lectures on mathematical statistics at the University Headquarters from the 15th to 17th of January 1940. Special Lectures.

116. On an application received from the Principal of the Hindu College, Guntur, the Syndicate granted recognition to the College Students' Union from 1st July 1939. This raises the number of the recognised University Students Unions to seven. Students' Unions.

117. Under Section 5 (1) (b) of the Madras Medical Registration Act, the Academic Council elected Mr. M. V. Krishnarao, B.A., M.B.B.S. from among the members of the Medical Faculty to the Madras Medical Council. Madras Medical Council.

118. The Inter-University Board, India held its annual session for 1939 at Waltair on the 15th and 16th December 1939. Inter-University Board.

The Syndicate re-appointed the Vice-Chancellor as the representative of the University on the Inter-University Board, India, with effect from 1st April 1940. It has further authorised the Vice-Chancellor to nominate a person in his place in case of his inability to attend any of its meetings.

The University communicated the following views to the Inter-University Board on the points referred to it during the year :—

- (1) that it was desirable that there should be as much uniformity as possible in the subjects and courses of study

prescribed for the Matriculation or Entrance Examination of all the Indian Universities ;

- (2) that the University did not recognise Post-Graduate work done outside the University for its Research Degrees ;
- (3) that the University favours the recognition of examinations of other Universities on the basis of reciprocity and parity of academic standards for purposes of admission ;
- (4) that the need for organising a special diploma course in Technology was not felt ;
- (5) that the University has recently appointed a Tutor in South Indian Archaeology and Epigraphy and that the University would be prepared to extend its help to the Archaeological department as far as possible ;
- (6) that the system of interloaning of books between the various University Libraries was in vogue in the University and that the University Library had a trained staff ;
- (7) that the University was agreeable to admitting Intermediate students to the Law Courses after a preliminary study of English for one year, the total period of study for the LL.B. being three years ;
- (8) that social service need not be made a compulsory condition precedent to the award of degrees and that if there was need a special diploma course may be organised ;
- (9) that the University had been trying to establish closer contact with the industrial and commercial organisations in the country ; and
- (10) that the University had no objection to allow the migration of students from one University to another after passing the University Examination in Anatomy and Physiology if uniform standards were observed, provided however that these migrations were treated as special cases.

119. At the request of the Government the University expressed the following opinion on the provision of a Bill to amend the Aligarh Muslim University Act, 1920 :—

Aligarh
Muslim
University
Act.

- (1) This University has no objection to the proposal to so amend Section 12-A of Aligarh Muslim University as to remove the power of affiliating Intermediate colleges in the Aligarh District.
- (2) It is strongly of opinion that the Aligarh University should not be given the power of recognising schools outside the Aligarh District.
- (3) This University does not object to Aligarh or any other University having a Matriculation of its own for admission to its own institutions for which anybody may appear without reference to school or private study, provided that this does not carry with it the right to recognise schools.

120. Mr. D. L. Narasimham, M.A., L.T., Lecturer in History and Economics, Government Arts College, Rajahmundry forwarded a draft scheme for opening a diploma course in Geography. The scheme was referred to a joint meeting of the Boards of Studies in (1) History and Politics and (2) Economics and Geography for consideration and report.

Diploma
Course in
Geography.

121. The Committee constituted by the Syndicate last year to make proposals for the establishment of an organisation necessary for the compilation of a Standard Telugu Dictionary submitted its recommendations. In view of the heavy expenditure which the recommendations involved the question was dropped.

Standard
Telugu
Dictionary.

122. In view of the prospect of the Natural Science College being established having materialised and the consequent husbanding of all the resources for making it a success and not undertaking new developments if they are at all avoidable, the University regretfully postponed Law College project for the present.

Law College
Scheme.

Teaching through the medium of Indian Languages, preferably in Mother Tongue.

123. In connection with the Vernacularisation Scheme, certain persons were commissioned in 1933 to write Text-Books in Telugu suitable for the Intermediate classes in various subjects. Among them Messrs K. Rangachari, M.A., B.L. and R. V. Seshayya Naidu, M.A. have sent their manuscripts in Trigonometry and Zoology respectively. Their manuscripts are being edited before sending to press.

In furtherance of this educational reform, the University requested the Government to appoint representatives of the Madras, Andhra and Annamalai Universities to go into the question of vernacularising the Intermediate courses of study. But the Government declined to interfere in such academic reforms and suggested that it might be appropriately considered by the Universities themselves. Since the Government were not prepared to take the initiative in the matter and undertake responsibilities of correlating the activities of the three Universities, the University felt that not much could be accomplished by the Andhra University taking the initiative and dropped the question for the present.

First Aid Classes.

124. As a preliminary to the formation of a St. John Ambulance Corps in the University, a course in First Aid was organised in the University. A batch of 30 persons including members of the teaching staff was selected. The Honorary Medical Adviser of the University was in charge of instruction. The examination—*viva voce* and practical—was held in March 1940 by Dr. G. V. S. N. Murti, M.D., Divisional Secretary of the Dolphin (Andhra Medical College) division of the St. John Ambulance Corps. 22 came out successful. It is expected to usher into existence a full-fledged corps early next year.

Bifurcation of the Intermediate Courses of study into Inter. in Arts & Inter. in Science.

125. Regarding Bifurcation of the Intermediate Courses of study into the Intermediate in Arts (I.A.) and the Intermediate in Science (I.Sc.), it was stated in Section 68 of the Annual Report for 1936-37 that the Syndicate had accepted in principle the need for such bifurcation and had appointed a Committee which framed the necessary Regulations and Syllabuses in December 1936 and the Academic Council, which considered this scheme in March 1937, deferred further consideration to its next meeting.

But in view of the changes contemplated in the Educational Reorganisation Scheme of the Government which involved the abolition of the Intermediate Courses of study, the Academic Council resolved in December 1937 that further consideration of the Bifurcation question be postponed.

The University having resolved on the retention of the Intermediate and there being no ground to suppose that this decision would be interfered with, and in the light of the recommendations of the Medical Council regarding the courses in the Intermediate classes, the Syndicate considered the question once more in September 1939 and in accordance with its recommendation, the Academic Council appointed a new Committee to go into the whole question of Bifurcation and report thereon.

On the recommendation of this Committee, the Academic Council, at its meeting held in March 1940, resolved not to proceed with the Bifurcation of the Intermediate Courses for two reasons *viz.*, (1) that it was not desirable to lower the standard in English and the Second Language and (2) that if the standard in those languages were lowered, it would create added difficulties for employment.

Yet, with a view to achieve the objects underlying the idea of Bifurcation the Syndicate is taking steps to give effect to the following proposals of the Bifurcation Committee approved by the Academic Council in its Resolution No. 67 dated 8th March 1940:—

- (1) to add a new Combination of Physics, Chemistry and Biology to the list of the existing combinations under Part III of the Intermediate Courses of study and,
- (2) to institute a practical examination in the Science subjects *viz.* Physics, Chemistry, Botany, Zoology, Biology and Agriculture.

In December 1939, the University approved the proposal of the Principal, University Colleges, Waltair for the employment of an official Cricket Coach jointly by the University Colleges, Andhra

Colloquium.

Fortnightly meetings of the colloquium were held and papers were read and discussed. The members of the staff and Research Scholars took part in the activities of the colloquium Dr. S. Gopalakrishnamurti was the secretary and arranged the colloquia Students of the final year honours were also invited to attend the meetings. There were eight meetings held in the course of the year.

Physical Society.

The membership extends to all the members of the department, teachers Research Scholars and the students. Papers in the form of reports of studies were read by the students and the other students were encouraged to put questions to classify the points not made clear. The president and secretary were students and conducted the proceedings. The excursions were organised by the society and a successful physics exhibition was conducted under the auspices of the society with the full co-operation of all the classes of members.

Mr. A.C. Sekhar, B.Sc. and Mr. A. Balabhadra Rao were president and secretary for the year respectively. Ten ordinary meetings were held in the course of the year and the society deputed Mr. A.C. Sekhar to attend the Science Congress at Madras.

STAFF COLLOQUIUM.**(Chemistry & Technology Departments)**

President: Prof. T. R. Seshadri, M. A., Ph. D., F.I.C.

Secretary: Mr. P. Suryaprakasa Rao, M.Sc. (Hons.)

Under the auspices of the Colloquium which is intended for the discussion of advanced Chemical and Technological problems intimately connected with the research work in progress in the above two departments, eighteen meetings were held during the academic year 1939-40 and the following topics discussed:-

<i>No.</i>	<i>Subject.</i>	<i>Lecturer.</i>
1.	"Thermo-compression"	Mr. C. Venkata Rao.
2.	"Oxyquinoline as an Analytical Reagent"	Dr. K. Neelakantam.
3.	Effect of Constitutive and other Factors on the Carbonyl frequency in Raman "Effect."	Mr. G.V.L.N. Murti.
4.	"Certain groups of compounds produced by Leguminous plants".	Prof. T.R. Seshadri.
5.	"Chelation in Resorcinol Nucleus"	Dr. S. Rangaswami.
6.	"Rocella Montagnil—Constitution of Erythrin."	Prof. T. R. Seshadri.
7.	"Oxonium Salts".	Mr. L. Ramachadrarao.
8.	"Some medicinally useful combinations of Cinchona Alkaloids and Mercury".	Mr. N.V. Subba Rao.
9.	"The mechanical Aspects of Floatation"	Mr. C. Venkata Rao.
10.	"Chemistry of the Lichens of Parmelia group"	Mr. V. Kumarasastry.
11.	"Iodised Oils"	Dr. S. Rangaswami.
12.	"Raw Materials in Ceramic Industry"	Dr. G. Gopala Rao.
13.	"Electro-plating"	Mr. T. V. Subba Rao.
14.	"The Chemistry of Gossypol"	Mr. K. Satyanarayana Murthy.
15.	"Chemical Analysis of Clays"	Mr. N.B.V. Krishna Rao.
16.	"Fish Poisons"	Mr. B. Krishnaswami.
17.	"Bitter Principles in Fruits"	Prof. T.R. Seshadri.
18.	"Depigmentation of the skin and its Treatment" (Annual Meeting)	Dr. V. Govinda Nair and Prof. K. Narayana Menon of the Medical College and Dr. S. Rangaswami of the J. V. D. College.

The last meeting was followed by the Annual Dinner.

APPENDIX—E.

WORKING OF THE INSTRUMENTS MAKING SECTION.

I. Introductory :—As in the previous years a number of items of physical apparatus were programmed for manufacture for the needs of the Physics department primarily. The import of foreign apparatus was reduced to a minimum. Only the optical parts required in the building up of apparatus was imported. The main emphasis has been to put through the arrears from previous years and complete them while proceeding with the programme of the current year.

II. Staff :—The following persons were reappointed for one year with effect from the dates shown against them :—

(1) Mr. P. Pattabhiramayya	Technical Assistant.	15—7—39
(2) „ S. T. Krishnaswami Chetty	„	1—9—39
(3) „ P. A. Moses	Demonstrator	1—7—39
(4) „ S. V. Jaganadha Rao	Draftsman	1—9—39
(5) „ D. Surya Rao	Mechanic Turner	10—5—39
(6) „ M. Gangaraju	Fitter	10—5—39
(7) „ M. Tammayya	Carpenter	1—9—32
(8) „ V. Anjaneyulu	Office boy (apprentice)	1—9—39
(9) „ A. Appa Rao	Sweeper boy	8—11—39

V. Anjaneyulu who had shown himself capable of doing minor work in the section was appointed to be workman apprentice with effect from 1-11-39 to facilitate the progress of work in the section on account of accumulation of arrears. A. Appa Rao was appointed sweeper boy with effect from 8-11-39 in place of Anjaneyulu.

III. The programme of the year :—The balance of the programme from the previous years together with an additional programme valued at Rs. 6,500/- was undertaken. The dividing engine and the 2-prism spectrograph which were the special items programmed for the previous year, have been completed and are in use. The items of special interest for the current year are the sound camera and large spectrographs. The valuation of these items would be about Rs. 7,000/-. The work on these items would involve many minor parts and will be spread over the programme years 1939-1941. The work of setting up an optical grinding machine will be taken on hand in the coming year.

IV. Expenditure :—

	Rs.
Establishment ...	5,880
Materials used, local	215
„ imported	371
Drawing stationery	60

				Rs.
Castings	...	...	...	251
Supplies from workshop approximately		...		50
Contingencies by Registrar	...	...		136
„ met by Tech. Asst.	...	...		262
			Total ...	7,025
Less supplies to workshop approx.				75
			Net expenditure ...	6,950

It may be remarked that the Technical assistants had between them 27 hours of teaching work per week and so a good percentage of the cost of their salaries is to be debited to teaching. In this view the working expenses have to be reduced by at least 50% of the salaries of the Technical assistants.

V. Outturn :—The value of apparatus made and delivered works out to Rs. 6,900 (Enclosure I) The valuation of the part finished apparatus works out to be Rs. 1,050 as against the programme cost of Rs. 3,500 nearly (Enclosure II) The value of repairs and service can be estimated at Rs. 550, working to a total outturn of Rs. 8,500. This does not include any of the preliminary work done on special instruments.

VI. Balances of programme :—This item will as usual be carried forward with the programmes of special work and other indents of the department for 1940-41 and the special apparatus. The appointment of the workman apprentice from 1-11-1939 has helped to relieve the regular mechanics from less skilled work and to speed up production.

APPENDIX—F.

WORKING OF THE HOSTEL DISPENSARY.

During the year under report the total outpatient attendance for various ailments in the Hostel Dispensary was 5,623. The average attendance from month to month is given in Tabular form in Enclosure I. The daily average outpatient attendance for the year works out at 18. Medical Aid.

Most of the ailments were of a minor character. A detailed classified list of ailments under broad heads in each month is furnished in Enclosure II.

Injuries including sprains, wounds, minor burns account for about 14 per cent of the attendance. There was no case of severe burns. Most of these injuries were received while playing on the fields or working in the laboratories. One case of a simple fracture of a metacarpal bone and one case of dislocation of the shoulder need mention. Both these were set right satisfactorily. Injuries and Accidents.

As far as incidence of disease is concerned there has been no case of Small-pox, Chicken pox, Measles, Cholera, Enteric, Pneumonia, Tuberculosis, or Venereal Disease among the Hostel residents during the year under report. There was no fatality or serious illness leading to break of continuity of studies among hostel residents. Incidency of Disease.

Among minor ailments, E. N. T. troubles seasonal "colds and coughs" constitute as usual the largest number of attendance. Next in order occurred minor disturbances of the gastro-intestinal tract followed by minor skin affections, miscellaneous fevers and eye-trouble. Cases of Trachoma have been regularly treated in the outpatient's department.

This section with comfortable provision for 4 beds has continued to be useful and popular. The total number of inpatients admitted and treated during the year was 74. All were discharged cured. The maximum number of admissions in any month (20) occurred in July, the first month of residence for the students, being also the season for diarrhoeas and dysenteries. Inpatients Department.

As during the last few years the more important diseases which disabled the students from time to time were (1) miscellaneous fevers (2) diarrhoea and dysentery which continue to affect the largest number of inpatients. Regular provision was made for supply of boiled water for drinking purposes and efforts were made to prevent and eradicate the fly-nuisance in the season. Progressive improvement in the sanitary condition of the kitchens, dining halls and their environs has been insisted on, in order to reduce the incidence of water-borne infections.

The Medical Adviser has found a gratifying response from the Hostel residents to his policy of impressing on them the need for early reporting of even 'trivial' troubles promptly in the outpatient department and of encouraging them to take him into confidence and to seek his advice regarding their diet, habits and general health. Insistence has been maintained on prompt admission into the Ward of all residents who may be ill requiring segregation, rest, special diet or treatment. A few cases requiring special investigation or specialist advice have been referred to some departments of the King George Hospital. As far as possible in each case radical treatment has been instituted and progress of each student after recovery has been followed up.

A number of servants and other members of the staff from various departments of the University Colleges were referred to the Medical Adviser, who examined and advised them and rendered first aid whenever required.

Nursing.

The compounder (assisted by the Ward attendant) has been in charge of the dispensing and nursing of inpatients, one of them being on night duty whenever there were inpatients.

Sanitation of the Hostels.

The completion of the compound wall of the University Campus has considerably helped to improve the sanitation all round in the Campus and specially around the hostels and the dining Halls and better arrangement has been made for the place where cows are milked. The modern sanitary fittings with flushing arrangements and the system of closed drainage with septic tank, have been functioning satisfactorily maintaining the high standard of sanitation in the Campus. Water-supply for bathing, washing and sanitary purposes had to be strictly economised and controlled.

WORKING OF THE UNIVERSITY STUDENTS UNIONS.

1. University College, Waltair.

The activities of the Union for the year commenced with the election of the President, Secretary and class representatives. The following were duly elected :—

J. Ramanadham, V. B. Com. Hons.,	<i>President.</i>
C. R. Viswanadham, IV B.Sc. Hons.,	<i>Secretary.</i>
B. Rajanikanta Rao, V. B. A. Hons.,	} <i>Class representatives.</i>
S. K. Durga Rao, IV B. Com.,	
J. V. K. Vallabha Rao, IV B. A. Hons.,	

The inaugural function of the Union was celebrated on Saturday, 29th July 1939. In the evening, after tea, a meeting was arranged in the Tikkavarapu Lakshminarayana Reddi Sabha under the Presidentship of Prof. V. Apparao, M.A., L.T. The Maharajah Saheb of Jeypore was also present. J. Ramanadham (V. B. Com. Hons.) welcomed the new-comers on behalf of the seniors. J. V. Kameswara Rao, III B.Sc. Hons. replying on behalf of the juniors, thanked the seniors for their welcome. Then Dr. Nagaraja Sarma, M.A., Ph.D., of the Presidency College, Madras, delivered an address on "Has Vedanta outlived its Utility?" Quoting profusely from the scriptures, he compared the Western and Eastern philosophies and showed how Vedanta had abundant use for mankind.

The Union Council met on Wednesday the 9th August under the Presidentship of Prof. V. Apparao and passed the budget for the year. A unique feature of the budget was the item relating to 'educational tours' to serve the purpose of bringing together the students of our University and other Universities.

The Council also elected Mr. B. Muthuswami, B.A., (Hons.), Lecturer in English, to be Assistant Editor and A. S. Raman, IV B. A. (Hons.), and B. Rajanikanta Rao, V. B. A. (Hons.) as Associate Editors of the University Colleges Magazine and Chronicle.

There were three debates for the term ending with September. The first debate was held on the 10th August. The subject for discussion was that 'The Past is better than the Present'. Among those that partook in the debate were V. Narayana Rao, the mover Mr. B. Muthuswami, B.A. Hons., Lecturer in English, V. V. Ramanadham, C. R. Viswanadham and C. Seetharamayya for the proposition, and A. S. Raman, the leader of the opposition, Mr. P. Suryaprakasa Rao, M.Sc., Hons., Lecturer in Chemistry, G. V. Ramamohan Rao, C. V. Subbiah, K. Sanyasiiah, C. Raja Rao, and V. Lakshminarayana against the proposition. The subject was thrashed out exhaustively and after the Leader of the House

replied, the President put the motion to vote and declared it *lost* by a small majority.

The second debate, held on 28th August, was on the proposition '*That Gandhism has outlived its utility.*' Among those that participated in the debate were C. Seetharamayya, V. V. Ramanadham, Mr. G. Venkatarao, M.A., LL.B., Reader in History, K. Sanyasayya, V. Sivakumara Sarma, Kamasastri, and M. Narasimham for the proposition and C. Raja Rao, Prof. M. Venkatarangaiya, M.A., A. S. Raman, V. Lakshminarayana, C. R. Viswanadham, C. V. Subbiah, V. Narayana Rao and G. V. Subbireddi against the proposition. After a very lively debate the motion was talked out.

The third debate of the term was held on 12th September, when B. S. Sundara Rao, III B.Sc. (Hons.) moved '*That India should help Britain unconditionally and whole-heartedly in her fight against Germany for establishing the principles of justice and equity.*' Dr. T. A. Purushotham, M.A., Ph.D., First Grade Lecturer in Philosophy, A. S. Raman, C. Raja Rao and K. Sanyasayya spoke for the proposition and T. V. Kameswara Rao, Mr. E. Venkatesam, B.A., M.L., V. V. Ramanadham, B. Ramanarayana Sarma, V. Lakshminarayana, G. Subbireddi and Sivakumara Sarma were in the opposition. After a keen debate and when the leader of the house had replied, the President put the motion to vote, and declared it *lost* by a large majority.

Besides these debates there was an exposition of *Naukacharitam*, one of the operas of the great Tyagaraya by Prof. P. Sambamurti of the Madras University on 29th July, 1939. There was also a lecture on *Yoga* practices and *Asanas* with practical demonstrations by Mr. T. S. Murty, B. A., B. Ed., on Friday 11th August.

The second term opened with a lecture on '*The Hindu-Muslim Problem in India*' by Prof. V. S. Ram, M. A., Ph. D., Professor of Political Science, Lucknow University, on 19th October, 1939. Dr. C. R. Reddy, M. A. (Cantab), Hon. D. Litt. (Andhra), Vice-Chancellor, presided on the occasion. The learned Professor detailed the factors that contributed to the present communal tension in the country and suggested that the Hindu majority should win the confidence of the Moslem minority by a generous spirit of self-sacrifice. There was a lively discussion after the address, in which many students and members of the staff participated. In his presidential remarks, Dr. Reddy said that the Congress showed its lack of imagination in forming party cabinets, and declared that had coalition ministries been formed in the different provinces we should not be hearing now so much of these communal bickerings. The meeting came to a close with the Secretary's vote of thanks.

The next meeting under the auspices of the Union was held on 26th October 1939, when Vidwan G. J. Somayaji, M.A., L.T., P.O.L., delivered a lecture on '*The History of Telugu Language*'.

The members of the Union mustered enthusiastically when a debate on the proposition '*That if man is to live, God must go*' was organised on 30th October, 1939, with the President of the Union in the chair. A. S. Raman, IV B.A. Hons. opened the debate, and C.R. Viswanadham of IV B.Sc. Hons. led the opposition. C. Rajarao, K. Sanyasiah and D. Venkateswararao supported the proposition and V. V. Ramanadham, B. Sundararao, V. Lakshminarayana, V. Narayanarao and A.V. Ramanarao were in the opposition. Prof. V. Appa Rao and Mr. B. Muthuswami also participated in the debate. The resolution was put to vote and declared *lost* by a majority.

The Inter-Collegiate debates in Telugu and English, organised by the Union, were conducted on 18th November and 19th November at the Tikkavarapu Lakshminarayana Reddy Sabha Hall. They were an unprecedented success, for as many as ten colleges participated in the Telugu debate and nine colleges in the English debate, and the level of debate in both won the appreciation of no less a critic than Dr. C. R. Reddy.

Inter-Collegiate debates.

The subject for the Telugu debate on 18 November, was

(a) Telugu

‘శాశ్వతమైన ప్రపంచానికి ఆహింసాతత్వము తప్ప వేరు మార్గము లేదని ఈ సభవారు తీర్మానించుచున్నారు.’

There were 20 debaters on each side. The Hindu College, Musulipatam secured the first place and annexed the Tenneti Viswanadham Cup, while the A. C. College, Guntur, ran a close second. K. Satyanarayana Murti of Masulipatam was declared the best speaker in Telugu.

The English debate was conducted on Sunday, 19 November, beginning at 3 p. m. The subject of discussion was that '*Democratic government cannot be successful in India.*' The Andhra Medical College, Vizagapatam, was adjudged the best team and the A. C. College, Guntur, secured the second place. The Dr. T. S. Tirumurti Cup was awarded to the Andhra Medical College, Vizagapatam and C. Suryanarayana of the Andhra Medical College who was declared the best speaker in English was awarded the individual prize.

(b) English

Dr. C. R. Reddy giving away the prizes complimented all the debating teams on the high standard which they maintained throughout their performance.

Two debating teams of the Union consisting of A. S. Raman and C. Seetaramayya (English) and C. Sitaramayya and G. Suryanarayanaraju (Telugu) secured the first and second prizes in the English and Telugu debates conducted at the Maharaja's College, Vizianagram, during November. C. Sitaramayya, III B.A. Hons., was declared the best speaker in these debates both in English and Telugu.

Contests.

A unique event in the history of the Union this year was its sending out a debating team consisting of A. S. Raman and C. Sitaramayya to tour some of the Universities in Northern India. They visited Allahabad, Patna, Benares and Calcutta, in all of which places they participated in debates in English.

Mr. Narasimhaswamy of Salem addressed the Union on '*Sayibaba and his message*' on 22 November 1939. Dr. Saileswar Sen of the Philosophy Department presided on the occasion.

On 10 December, 1939, the last meeting of the term was arranged when Mr. V. V. Giri, M.L.A., and Mr. V. R. Kalappa, M.L.A., Secretary of the Congress Legislative Party, Nagpur, spoke on the political situation.

The new year commenced quite briskly for the Union. There was a meeting on 17th January in the Tikkavarapu Lakshminarayana Reddy Sabha Hall when Mr. Hotelling of the Columbia University spoke on the '*New Deal in America*.' Dr. C. R. Reddy, Vice-Chancellor presided on the occasion.

Andhra
Week.

The Andhra Week was celebrated from 22-1-40 to 27-1-40 with great enthusiasm.

Valedictory
Address.

The activities of the Union closed with a valedictory address by Mr. S. Srinivasa Iyengar, ex-President of the Congress, on 18-2-40. Dr. C. R. Reddi presided on the occasion and gave away the prizes for winners in the inter-group debates of the Colleges conducted the week before.

AFFILIATED COLLEGES.

2. Maharaja's College, Vizianagram.

Executive
Committee.

The following was the personnel of the Executive Committee that was elected for the year :—

President:

P. Anjaneyaraju.

Secretary:

G. Prasadarao.

Representatives:

G. Hanumantha Rao, IV Class.

D. V. Sreenivasa Murty, III Class.

Lala Ahmad Khan, II Class.

M. G. K. Kanakayya, I Class.

N. L. Acharya, B. Sc., Junior.

M. Sugunam, B. Sc., Senior.

Inaugural
address.

The Association conducted 45 meetings. The inaugural address was delivered by Sri N. Kedari Rao Garu, Professor, Arts College Rajahmundry

and it marked the beginning of busy programme of meetings and lectures on various topics of interest and importance. The Union secured the magnificent eloquences of some of the popular leaders such as Prof. Ranga and others whose lectures had obtained a radiant here having synchronized with the outbreak of the European War. Of all the lectures, the lecture of Sri Ch. Lakshminarasimham Pantulu Garu demands premier mention having excelled and overshadowed all others by his spontaneous outburst of eloquence and dazzling exuberance of vocabulary. The wealth of information that leaked out from his lips is a vast treasure to the coffers of our brains. His lecture turned us into living statutes with painted eyes hovering upon the man. During this one year we had the pleasure of hearing of the thrilling lecture of the late lamented Kalaprapurna Rao Saheb Gidugu Ramamurty Pantulu Garu.

The 'Gandhi Jayanthi' was celebrated enthusiastically, when a portrait drawn by one of the members Mr. B. Venkatarayudu, the finished artist, was unveiled. Lectures were given by Professors and local people on the philosophic, political, social and economic aspects of the teachings of the noble soul of India, the prophet of Non-Violence and the upholder of truth and righteousness. The 'Independence Day' Celebration was unique. Unstinting co-operation and overwhelming enthusiasm marked it from 'A' to 'Z'.

Gandhi
Jayanthi.

The part played by the members in the Inter-collegiate debates was really encouraging. As usual the Association sent this year debating teams to Arts College, Rajahmundry and to the Inter-University debates at Allahabad. As in last year it held the Inter-collegiate debates contests in English and Telugu in our college, this year also. Three Colleges in the University area were able to compete and our college won the Telugu Trophy. It is not out of place to mention the name of Mr. N. V. Ratnam, the champion Telugu speaker of our college.

Inter-
Collegiate
debates.

Sri S. Bhagavantham Garu, M. Sc., the distinguished Professor, Physics Department, Andhra University, Waltair, presided over this function. Sri V. Narayana Rao Garu of Cocanada and Sri Mahakavi Kasibhatta Krishna Raya Sastri Garu spared few hours to enlighten the audience on this occasion with their addresses.

M. R. Ry. V. Venkatarao Garu, M. Sc., editor of the Union Magazine spared no efforts in standardizing the quality of the issues.

Our teams participated in the oratorical contests organised by the Andhra University Students' Union, Waltair. The Telugu team, consisting of Mr. K. Satyanarayana (IV class) and Mr. Bh. Suryanarayanamurthi (II class), acquitted itself most creditably and was awarded a fine trophy. Mr. Bh. Suryanarayanamurthi was in addition awarded the medal for the best individual speaker. The English team, consisting of Mr. K. Satyanarayana (IV Class) and Sultan Jalaluddin (IV class) also gave a good account of itself but was outclassed by the Medical College team. Contests.

The Union held competitions in both Essay-writing and Elocution in Telugu and English and prizes were awarded to the first two in each competition. Essays.

The Anniversary of the Union was celebrated under the distinguished presidency of Lt. Col. T. S. Shastri, I.M.S. Besides the valedictory address delivered by the President, the programme included a few amateur theatricals—scenes from “Anarkali” and “Poland”. Valedictory Address.

Considerable enthusiasm was evinced by the students in the activities of the Union and the contribution made by the lady students is deserving of special mention.

(iv) *College Magazine,*

The College Magazine brought out two issues during the year under report, one in December 1939 and the other in March 1940. The contributions of the

students to the Telugu section deserve special praise. The following was the personnel of the Editorial Board :—

- M. R. Ry. K. Sivaramakrishna Rao Garu, M.A., L.T., Patron.
 Mr. V. Muthu Aiyar, M.A., L.T., General Editor.
 „ C. Janakiramayya, M.A., Editor, Telugu section.
 „ B. Kutumba Rao, M.A., Editor, Sanskrit section.
 „ Sultan Jalaluddin, (Student Representative for English).
 „ D. Suryanarayana (Student Representative for Telugu).
 „ V. K. Venkataraman (Student Representative for Sanskrit).

4. Hindu College, Guntur.

The Union is the premier organisation of the students of the College. Introduction.
 Every student is a member of the Union. The activities of the Union are ordinarily confined to the holding of debates and lectures in English and Telugu, organising receptions to distinguished visitors, undertaking social service, managing social functions and conducting academic competitions. The chief aims of the Union are to promote corporate life among students and to afford opportunities to its members to train themselves in the art of public speaking and debating.

The Union commenced its work in the last week of July, 1939 with the Election.
 election of office-bearers for the academic year at a meeting held under the presidentship of Sri. B. Ramachandra Rao Pantulu Garu, Principal, Mr. Vallabhajosyula Subbarao and Dr. M. Ramarao, lecturers, were elected to the Board of Trustees by the lecturers of the College. M. Kotiswararao was elected by the Executive Committee on 25-7-39 to represent the students on the Board. Mr. B. Govinda Rao, M.A., B.L., was Treasurer nominated by the Principal.

The inaugural address was delivered on 9-8-39 by Sri. M. Ramachandrarao Inaugural address.
 Naidu Garu, M.A., Bar-at-Law, Subordinate Judge. He spoke on the trends in modern thought and the role young men have to play in the national life.

Mr. B. Ramachandrarao, Principal, presided over a debate held on 22-8-39. Debates.
'That the disciplinary action taken against Babu Subhas Chandra Bose by the Congress Working Committee is justifiable' was the resolution moved by V. Venkatasivudu and opposed by M. Venkateswararao, student-members. The motion was lost.

Various other debates on literary, social and political questions were conducted. The attendance at the meetings was fairly good.

On 1-9-39, Dr. V. Varaha Narasimham, M.A., Ph. D., gave a lecture on Lectures,
'How may our College and University alumni discharge their debt to the countryside in token of its outlay on them.'

Dr. P. Srinivasachari, M. A., Ph. D., Principal, S.R.R. College, Bezvada gave a lecture on 29-1-40 on 'Andhra Province: its cultural factors'. The meeting was presided over by Mr. B. Ramachandrarao, Principal.

Symposium. Under the auspices of the Union, a symposium on '*The present war situation*' was held on 4-9-39 under the presidentship of Mr. B. Govinda Rao, M.A., B.L. The following gentlemen took part in the meeting :—

Messrs. K. Venkatappaiah Pantulu, M.L.A., P.S.T. Saye, Bar-at-Law, K. Lakshmiapati, B.A., B.L., M. V. Narasimhachari, B.A., B.L., Dr. M. Ramarao, M.A., Ph. D., and Mr. R. Venkatasivudu, M.A., L.T.

College Magazine. A unique feature of the activities of the Union during the year was to publish the College Magazine containing contributions in Telugu and English by the staff and students.

Histrionic activities. The members of the Union staged 'Asampurna Ramayanam' which was much appreciated.

Contests. The Union was represented in the Inter-Collegiate debates and the contestants acquitted themselves creditably.

Towards the close of the year elocution, oratorical and essay contests and competitions in English and Telugu were conducted by the Union and prizes offered to the winners.

5. Mrs. A. V. N. College, Vizagapatam.

Elections. The strength of the Union during the year under report was 288; and at the general elections held in the month of July, besides the various sectional representatives, Messrs. V. Ramamohana Rao, S. Alwar Das and K. S. Habibullah were elected respectively to the offices of the President, the Vice-President and the Secretary.

Inaugural address. The Union's activities were inaugurated by the Hon. B. Venkatapathiraju Garu, B.A., B.L., C.I.E., at a general meeting of the members on 24-7-1939, at which Sri Sri Sri Dr. Vikrama Deo Varma Garu, Rajah Saheb of Jeypore presided and very graciously added a few words of advice of his own to the address of the day.

Debates. In the course of the year, seven debates were held, four in English, and three in Telugu, on various subjects of topical and literary interest.

Contests. Under the auspices of the Union, elocution contests and essay writing contests were also held, and prizes awarded to successful competitors.

The Union's debating teams participated in the Inter-Collegiate debates held at Vizianagaram and Waltair, and distinguished themselves at both places.

The Union's activities came to a close in December, and the anniversary of the Union was celebrated on 2-12-1939, when Sri Devulapalli Krishna Sastry of Cocanada delivered the valedictory address.

Valedictory address.

6. S. R. R. College, Bezwada.

The College Students' Union has had a successful session this year having conducted about 21 meetings both in Telugu and English covering a wide range of subjects. The meetings were conducted in an orderly and decorous manner and in general were largely attended. In spite of occasional prolonged sessions and heated discussions the invariable presence of the Principal at the meetings contributed in no small way to the discipline and enthusiasm of the house.

Meetings.

A special feature of this year's activities was the organization of a series of lectures on "Careers" when numerous speakers from outside were invited to address the students on subjects like "Journalism as a career", "The Films as a career", "Social work as a career", and so on.

Lectures on Careers.

The College Union sent an elocution team to take part in the elocution competitions organised under the auspices of the Andhra University Students' Union at Waltair during November 1939. The Association conducted the annual elocution contests in English and Telugu in February 1940 and the following were adjudicated the winners:—

Contests.

English:

T. Venkateswara Rao	...	...	I prize
K. David Sundararaju	...	...	II prize

Telugu:

E. Subrahmanyam	}	...	...	I prize
and				
J. Narayanarao				
P. Venkateswara Rao	...	...	...	II prize.

The annual prize-giving day was very successfully organised on the 24th of February 1940 in the College premises under the Presidentship of Rao Bahadur C. J. Paul B.A., Collector of Kistna. After giving away the prizes the President stressed on the necessity of sound discipline among the students and of scrupulously refraining from giving expression to half-formed hazy political notions by the students. The function came to a close with the representation of select scenes from English and Telugu plays.

**Working of the Andhra University Headquarters
Amalgamated Sports Association.**

Members. Out of a total number of 278 students on the rolls of the University Colleges for the academic year, only 87 students enrolled themselves as members of three Games Clubs. In other words 31·3% of the student population is sports-minded. Out of 87 members thus enrolled, 37 students or 23·7% are from the Honours and Post-Graduate Courses, while 50 students or 42% are from the Pass Courses.

Captains. During the last week of July, the following were elected as captains of the various games clubs :—

<i>Games Clubs</i>		<i>Captains</i>
Football	...	... N. A. Subramaniam
Cricket	...	... G. Bhaskara Rao
Hockey	...	... P. Madhava Rao
Badminton	...	... A. Venkateswara Rao
Volley-ball	...	... A. C. Sekhar
Tennis	...	... P. Sambasiva Rao
		... J. S. Rousseau was nominated (by the Physical Director) as Captain of the Track and Field Athletics.

During the first week of August, the Captains nominated (with the approval of the Physical Director) the following as the Vice-Captains for their clubs :—

<i>Games Clubs</i>		<i>Captains</i>
Football	...	... K. B. Ranganatharao
Cricket	...	... E. R. Krishnamurthy
Tennis	...	... J. Lakshmanarao
Hockey	...	... G. Kameswara Rao
Badminton	...	... K. Manikyalaraaju
Volley-ball	...	... N. Vaidyanathan.

The Captains elected P. Madhava Rao as the General Captain to represent the views of the students on the Executive Committee.

The term of Mr. T. P. Rajan (Lecturer in Commerce) as member on the Executive Committee having expired with effect from 1st August Dr. S. Gopalakrishnamurthy (Lecturer in Physics) was nominated in his place for a period of one year.

The Executive Committee by a resolution passed on 17-8-'39 conveyed its sincere thanks to Mr. T. P. Rajan, the retiring member, for the valuable help he rendered to the Sports Association during the last three years of his term as a member of the Committee.

The following formed the Executive Committee of the Association :—

Executive
Committee

- (1) Prof. Vissa Appa Rao, M. A., L. T., Principal (President)
- (2) Dr. V. S. Krishna, B.A. (Oxon), Ph. D. (Vienna), Registrar, (Treasurer)
- (3) Mr. M. Chidanandam, B.A., Physical Director (Secretary)
- (4) Dr. S. Gopalakrishnamurthy, M.A., D.Sc., Lecturer (Staff-Member)
- (5) Mr. P. Madhava Rao, General Captain (Student).

Between the period July 26th to September 8th, as many as 28 matches were played. The following is the analysis of the matches :—

Tourna-
ments and
Matches.

(1) Hockey	12 Matches.
(2) Football	4 „
(3) Badminton	4 „
(4) Volley-ball	3 „
(5) Cricket	3 „
(6) Tennis	2 „

Hockey :—The Hockey Club entered two teams in the Vizag Recreation Club Hockey Tournament conducted during the latter half of August. The "B" team met the B. N. Ry. Club in the first round and lost by a wide margin, while the "A" team having gained a bye earlier, encountered the Police Club team in the second round and lost by an odd goal.

Badminton :—The Badminton Club entered a Fives team in T. Nagabhushana Rao Memorial Tournament, conducted at Vizagapatam during the 3rd week of August. Our team accounted for the defeat of the "Tigers" in the first round, but in the second round it was defeated by the "Friends Union" Team.

During the latter half of October and early in November fourteen matches were played on the aggregate. The Hockey Club entered a team in the local

Seven-a-side Tournament but lost in the first engagement itself. The three local Colleges (viz., The University Colleges, The Andhra Medical College and the Mrs. A. V. N. College) have conjointly appointed Mr. J. A. Charles, a local cricketer, for a brief period of three months for the purpose of coaching the students of the Colleges in cricket. The students of the University Colleges have considerably benefited by the instruction of the coach, as is evidenced by their improved performances in the Vizagapatam Cricket Federation League Tournament.

APPENDIX—L

Copy of letter L. F. No. 3325 dated 6th September, 1940 from the Examiner of Local Fund Accounts, Fort St. George, Madras to the Vice-Chancellor, Andhra University, Waltair.

I have the honour to forward herewith the Audit Report on the accounts of the Andhra University for the year 1939-40 together with the statements of accounts as required by Section 21 (1) of the Andhra University Act of 1926.

**Audit Report on the Accounts of the Andhra University
Waltair, for the Year, 1939-40.**

Name of auditor :—Mr. A. B. Christian, Dt. Inspector of Local Fund Accounts.

Time taken for audit :—From the 2nd to the 15th July 1940.

1. The transactions under each of the nine separate accounts maintained by the University are shown in the statements appended. The opening balance in the several cash books are in agreement with the closing balance of the previous year. The closing balances in the several cash books agree with the balances in the annual statements and are in agreement with the balances in the Bank and Treasury Pass Books after allowing for outstanding cheques and revenue not credited in the treasury accounts within the year.

2. The more important irregularities are detailed below. Irregularities of a minor nature are detailed in the Objection Statement which should be treated as part of this report.

Annual Contributions and Donations.

3. (a) The whole of the annual contribution of Rs. 1,00,000 for 1939-40 due from the Maharajah of Jeypore to the University remained unpaid up to the end of March '40, the amount of Rs. 75,000 received during the year being the arrears of previous years. A sum of Rs. 10,000 was received on the 13th July 1940 towards part payment of the contribution for 1939-40.

(b) Rajah of Panagal Endowment.

The third annual instalment of Rs. 1,500 due from the present Rajah on the 31st July 1939 was not received up to the close of audit.

(c) Sir Alladi Krishnaswami Ayyar Endowment.

The donation of Rs. 1,000 per annum due from Sir Alladi Krishnaswami Ayyar for the years from 1936-37 to 1939-40 was also pending receipt.

Works estimated to cost below Rs. 500. Quotations not called for.

5. The last clause under Section 29 of Chapter XIX of the University Code prescribes that, in the case of estimates costing below Rs. 500 quotations shall be called for from the approved contractors and the lowest rates offered shall be accepted. Under rule II-A (vii) of the rules approved by the Syndicate at its meeting held on 15th October 1938 works estimated to cost less than Rs. 500 may be let on piece work agreement at the discretion of the Engineer, without inviting tenders. Under the latter authority quotations also are not being called for from the approved contractors in the case of works estimated to cost below Rs. 500 but works are entrusted to contractors at the discretion of the Engineer. If it is the intention of the Syndicate to dispense with quotations also, in respect of works costing less than Rs. 500 then the rule framed by the Syndicate is inconsistent with section 29 *ibid.* It was stated that an amendment to section 29 was being submitted to the Senate. The amendment is awaited.

Advances Recoverable pending adjustment.

6. In November 1936 a sum of Rs. 150 was advanced to Sri G. V. Raghava Rao of Yellamanchili for publication of his book "Everyday Science" and again in October 1937 another sum of Rs. 300 was advanced to him for the same purpose. The amounts so advanced remained to be accounted for up to the close of audit.

Annual Stock Verification.

6. (a) *Furniture.*

The Syndicate in its resolution No. 356 dated 17th February 1940 authorised Sri S. Parthasaradhi Naidu to verify the stock of furniture and to report. To his report received on 8th July 1940 are enclosed list of articles of furniture found short and also found in excess of book balance. He alleges the differences to be mainly due to wrong nomenclature adopted and to the failure to note the correct dimensions on the furniture. The result of the investigation into the losses and the action taken to recover or write off the cost of articles actually missing is awaited.

(b) *Library Books.*

In its resolution No. 508 dated 8th June 1940 the Syndicate approved the action of the Vice-Chancellor in appointing Sri A. Ramakrishna Rao, B.A. F.C.A. (London) to verify the stock of Library books. The certificate of verification and report on the result thereof are awaited.

(c) The certificates of Stock verification which were due in the Registrar's office by the 1st May 1940 under section 40 of Chapter XIX of the University Code were not received up to the close of audit in the following cases :—

1. Chemicals and apparatus (from heads of departments other than the head of Physics department.)
2. Machinery and other stock in the Instruments Manufacturing section.
3. Stock of games articles.

(d) *Stock Verification of apparatus, Physics Department.*

The stock verification discloses losses and breakages costing Rs. 380 in the research apparatus and Rs. 475 in the general physics apparatus which were recommended for write off by the head of the Physics department. The orders of the Syndicate are awaited.

Stock of Research Apparatus of Teachers.

7. In response to the request of the Registrar in his letter No. 9—A—38 dated 12th September 1938 to bring the list of research apparatus of teachers up-to-date the Principal forwarded an up-to-date list of articles on the 4th January 1940 with his remarks as to the condition of the apparatus. The remarks disclose the following facts :—

(a) The apparatus shown below was reported to be not in use for want of the steam or electric power.

	<i>Date of purchase.</i>	<i>Cost.</i>
1. Solvent recovery apparatus	14—2—1939	£ 29-10-0
2. Pulverising cylinder for grinding	15—6—1939	Rs. 536

(b) The apparatus detailed below was reported not to have been set up at all up-to-date for reasons not specified though the purchases were made in some cases so long back as 1932—33.

	<i>Date of purchase.</i>	<i>Cost.</i>
		Rs.
1. Mall Galvanometer	1932—33	800
2. Moll Thermopile	do.	500
3. Rock Salt plate	do.	40
4. Vernier Potentio motor with six dials.	do.	800
5. Pulfrich Refractometer	do.	1,300
6. Precision capillary Electrometer	do.	180
7. Torrance Triple roller mill	7— 3—1935	8,000
8. Chlorine cell	7—12—1934	2,000
9. Molybdenum furnace	30—11—1935	1,600
10. Motor generator set	19— 9—1934	600

The torrace triple roller mill (item 7) is now proposed to be sold away. The circumstances under which the apparatus was not set up require investigation. The necessity for the purchase of the above apparatus would not appear to have been scrutinised at the time of purchase. It is not also understood why even after the purchase the departmental officers concerned did not bring to the notice of the authorities that the apparatus had been lying idle without proper use.

Permanent Advance—Recoupment by Principal.

8. Under Section 15 (8) Chapter IV of the University Code, the Registrar shall be responsible to see that all moneys are expended on purposes for which they are granted. In the discharge of his duties, he may therefore be expected to scrutinise every payment incurred from the permanent advance of the Principal also. Nevertheless on a mere statement of expenditure furnished by the Principal the contingent expenditure incurred by him is passed for payment without getting the sub vouchers for scrutiny. The Syndicate however in its resolution No. 277-A (4) dated 3rd December 1938 authorised the above procedure. In the circumstances the several certificates furnished by government servants on contingent bills relating to expenditure from provincial funds would need to be furnished by the Principal on his contingent bills to admit the expenditure in audit.

Payments to Foreign Firms—Acknowledgments.

9. In reply to paragraph 7 of the audit report for 1938—39 on the subject, it was stated that the Syndicate resolved that the debit note by the Imperial Bank of India should be treated as sufficient receipt in respect of payments to foreign firms where no receipts could be obtained, and that the Senate also hold the same view. A debit note from the bank is intended to show a debit in the accounts but it is not a sufficient proof of payment to the proper parties. In respect of similar payments in the Madras and the Annamalai Universities, payees' receipts are obtained and produced for audit. The Imperial Bank of India is also willing to obtain the receipts from the payees in foreign countries or to furnish certificates of payment from their foreign agents (*Vide* Agent's letter No. 185 dated 7th August 1936 to the Registrar). Under the above circumstances it is not understood why the University authorities should not avail themselves of the offer of the bank and why it should insist on the acceptance of debit note of the bank as sufficient proof of payment.

Security.

11. From the commencement of the college year *viz.*, from June 1939, the fees due from the students of the college are being collected in cash in the Principal's office. In its resolution No. 432 (97) dated the 8th June 1940 the Syndicate resolved to obtain security to the extent of Rs. 500 from the college

clerk and of Rs. 150 from the Hostel Manager who deal with cash transactions. The security remained to be furnished.

12. The gross receipts and charges of the year were Rs. 6,71,793—15—7 and Rs. 6,44,695—0—6 respectively.

13. Forty-nine items of objections involving a sum of Rs. 29,783—8—4. were pending settlement at the close of audit as detailed below :—
