7. Cocanada— Pithapur Rajah's College

I. (a) *Historical Account*.—Established in 1852 through the exertions of Mr. Prendergast, Collector; and Mr. Tulasinga Chettiar, his Sheristadar, for imparting general education in English and Vernacular to pupils drawn from all sections of the community, the Institution gradually fell into a languishing condition in course of a decade but was given a fresh impetus in 1862 by Mr. Purvis, the then Collector, and Mr. K. Jagannadham Pantulu, his Deputy. It was endowed with a sum of Rs. 28,000 besides the grant of a spacious building site by the then Rajah of Pithapuram in 1866, in which year it first presented candidates for the Matriculation Examination under the name of Hindu High School. In 1884 it was raised to the status of a Second Grade College when it assumed the present designation of 'Pittapur Rajah's College'. It was under the management of a Council of 21 members for several years up to 3rd August 1909, when it was handed over to the present Maharajah of Pithapuram to be controlled by him as Trustee and Manager with a Committee of 7 comprised of elected and *ex-officio* members besides his own representatives. The College with the Secondary Department was finally transferred to the Maharajah as sole Proprietor at the beginning of the academic year 1926-27, when it was elevated by him to the First Grade. The Institution is thus a permanent charge on the Pithapuram Estate. Since its first transfer to his management, the Maharajah has given the College about Rs. 3,37,257-3-9 for equipment and towards annual deficits.

(b) *Management*.—The Institution is managed by the Maharajah with the help of a Committee of three members nominated by him—Diwan Bahadur Dr. Sir B. Venkataratnam, M.A., L.T., D.Litt. (Andhra) I.L.D., the Dewan of the Estate, and the Principal (*ex-officio*), the last named being also both Convener and Correspondent.

II. *Endowments*.—(a) *Capital*. The contingency of the Estate declining the charge at any future time has been provided against by the Maharajah with an endowment of one and a half lakhs in 4 per cent debentures and an additional investment of Rs. 95,000 at 7 per cent.

8. Guntur—Andhra Christian College

I. (a) *Historical Account*:—In the year 1848 the first English school of the Mission was opened in Guntur. Largely from lack of funds and from difficulties arising out of the American Civil War, the School was closed in 1863. In the year 1874 it was re-opened and organised as a High School under the Principalship of Rev. L. L. Uhl, Ph.D., D.D., and from this time the School steadily increased in numbers and influence. The first grade College class was organised in 1885 and the school was affiliated as a Second Grade College in September of that year.

Through the energetic efforts of Dr. Uhl and friends in America, funds for the development of the College were secured. The Watts Memorial building was erected and was occupied in 1893. Since 1893 the progress of the institution has been steady.

In the years 1916-18 the Mission authorities in America raised a sum of 1,70,000 dollars for the equipment and endowment of the College. With a part of this money the Uhl Memorial Building was erected and the remaining monies are held as endowment for the institution.

During the years 1924-26 a sum of more than eight lakhs was secured by the Mission authorities for the development of the institution. As a step in this direction the College was affiliated as a First Grade College in March 1926.

(b) *Management*:—The College is supported and controlled by the Board of Foreign Mission of the United Lutheran Church in America. The management of the College is vested in the Council of the Indian Mission of the United Lutheran Church, which appoints the Principal and the Bursar and sanctions the Annual Budget. The Principal is assisted in the general administration of the institution by the College Council appointed by the Mission Council.

In the internal administration of the College the Principal is assisted by the Staff Council, which consists of all the full-time Lecturers on the College Staff.

II. *Endowments*:—(a) *Capital*:—The endowment of the College amounting to 1,50,000 dollars is held by the Home Board, which assumes responsibility for the annual deficit in the recurring expenditure of the institution.

(b) *Scholarships, Medals, etc.*:—The College has no endowed scholarships but provision is made annually for the grant of a fixed number of scholarships, usually in the form of fee concessions.

the status of a college, and was placed under the supervision of the Principal of the local Govt. Arts College. The Union High School then transferred by the private managers to the Government, served as a Model School, and the High School classes with the L. T. and Secondary Training classes were held in the Arts College, while the lower departments worked in a rented building in the centre of Innespet. This arrangement continued till 1899, when, on the completion of the present building, the whole Training College with the Model School, was removed to it. It then consisted of the L.T., Upper Secondary, Lower Secondary and Primary departments with the Model School which had only the forms from the first to the sixth. The Vice-Principal, an officer of the Provincial Educational Service, managed the work with competent staff of teachers, under the superintendence of the Principal of the Arts College.

The Training College became fairly popular, and the L. T. class numbered 17 in 1910. The outlay incurred on account of the College was, however, considered to far outstrip its usefulness, and L. T. class was removed from Rajahmundry and amalgamated with the Teachers' College, Saidapet, in July 1911, when that College was enlarged and recognised to train annually about one hundred graduates.

The provision for the training of the Telugu graduates at Saidapet was soon felt to be inadequate, especially in view of the more pressing demands of the Southern districts. The proposal (which had been under consideration for some time past to reopen a Teachers' College for the Telugu districts at Rajahmundry was sanctioned by Government in May 1916 but had to be postponed on financial grounds to the year 1917. The College has now been placed under a separate Principal; and the institution is independent of the Arts College.

The new Training College was opened on the 2nd July 1917, and since then about 1,165 graduates have undergone training.

21. Rajahmundry.—The Andhra Yuvathi Samskrita Kalasala

I. (a) *Historical Account*.—Sriyuta Nalam Ramalingayya garu of Cocanada founded the Vysya Seva Sadanam in 1920 an institut on for the educational and cultural advancement of women and girls, and endowed the institution with lands yielding an annual income of about Rs. 3,500 and a sum of Rs. 50,000 for acquiring a suitable building. The Kalasala is the educational branch of the Seva Sadan. To-day, situated in its own beautiful building and extensive premises the institution has on its rolls over a hundred and twenty girls and young women.

The institution fulfills two needs: the need of the young girl for education and the need of the helpless young woman for sympathy and support. While it imparts therefore education having a cultural value, it also provides for vocational courses such as would enable young women to earn an independent living. The subjects taught are literary courses in Telugu, Samskrit, English and Hindi, besides arithmetic, history, geography, elementary science, music (Veena, harmonium, violin, and flute) garment making, embroidery, needle-work, fret work, Free-hand drawing and painting.

The institution has been recognised both by the Andhra University and the Director of Public Instruction Madras. Since this is the only recognised college preparing ladies for the Oriental Title Examinations, we hope that young women all over the Andhra Desa will take advantage of the college in large numbers.
