Their Imperial Majesties will be received on the platform by Their Excellencies the Governor-General and Lady Hardinge, the Governors and Heads of Provinces, the Commander-in-Chief, the Members of the Executive Council of the Governor-General, and the high officers (Military and Civil) of Government. Their Imperial Majesties will, after this, move in procession from the Delhi Gate of the Fort, past the Jumma Masjid, and through the Chandni Chowk and other principal streets of the city to the Ridge, where they will be greeted before proceeding to their camp by the representatives of British India assembled in a special pavilion. A short address will be presented by the Vice-President of the Governor-General's Legislative Council.

The procession from the Fort will be formed in three portions—

Special arrangements have been made for purdah ladies of high rank to see this procession from the Delhi Gate of the Fort, and also for school children, to whom a place on the route has been allotted on the glacis of the Fort. A number of stands for spectators will be erected along the route by the Delhi Municipality, from whom places will be procurable. A large stand has also been erected by the Committee at the Town Hall. His Imperial Majesty will inspect the troops as they stand in hollow square.

(His Imperial Majesty will dismount.)

As soon as His Imperial Majesty has dismounted, the guards on the new colours, taking their time from the Connaught Rangers, will form simultaneously towards and march back in quick time to their battalions, passing by the outer flanks.

The Chaplains of the Church of England will then come to the front, and having placed themselves in rear of the drums of the English regiments, facing His Imperial Majesty, will read the consecration service. At its conclusion they will retire behind His Imperial Majesty, passing by the right of the drums.

At the same time as the Church of England Chaplains move off, the Church of Scotland Chaplains will advance and act as above, placing themselves within the semi-circle of the drums and colours of the Scottish regiments, facing His Imperial Majesty. The Chaplains will retire in the same manner as those of the Church of England.

Similarly, the Roman Catholic Chaplains will carry out the consecration of the colours of the Connaught Rangers, placing themselves in rear of the colours of that battalion, facing His Imperial Majesty. The Chaplains will retire behind His Imperial Majesty passing by the left of the drums.

The Commanding Officers, the two senior Majors and the two senior Subalterns of each battalion will advance in line in quick time (swords at the "Carry") on to their new colours.

The Commanding Officer will halt four paces in rear and the four officers for the colours two paces in rear of the drums of their own battalion.

All officers will then salute and return swords, taking the time from the front.

The smaller of these amphitheatres, which contains about 12,000 seats, is for the Governors, Commander-in-Chief, Lieutenant-Governors and other high officials, the Ruling Chiefs, the Durbaris from British India and Native States, the guests in Government camps and privileged spectators. The larger one is intended for the general public and will accommodate over 50,000 persons. The arena will be occupied by some 20,000 troops, representing all the units present in Delhi.

After receiving the homage of the Governors, Chiefs and Representatives of British India at the Royal shamiana within the inner amphitheatre, Their Imperial Majesties will appear at the Royal Pavilion in the centre of the Arena, where the Royal Proclamation will be read before the whole assemblage.

# Miscellaneous Information.

### VISITING BOOKS OF THEIR IMPERIAL MAJESTIES.

The visiting books of Their Imperial Majesties will be placed in the following positions :—

The Flagstaff Tower.

The lower verandah of the Pavilion at the north entrance to the Polo Ground.

Army Camp at the junction of Barari and Lahore Roads close to Enquiry Office, Composite Division.

The books will remain open from 10 A.M. to 3 P.M. each day on the 8th to 11th, 13th and 15th December.

### HISTORICAL AND ARCHÆOLOGICAL LOAN EXHIBITION.

This Exhibition is located in one of the historic buildings in the Palace-fortress of Shah Jahan, the Mumtaz Mahal. This building was for many years used as a sergeants' mess, and it is only during the past twelve months that it has been adapted to serve the purposes of a Museum. During the alterations, a good deal of the old decoration has been laid bare, and though the outlines of the patterns are blurred and the colours faded, enough remains to show the visitor the manner in which the building was decorated while it was still in Moghul hands.

Outside, in the verandah, are arranged a number of sculptures and inscriptions, all belonging to the permanent collection, which forms the nucleus of the present Exhibition.

In the main hall, there is a fine collection of arms and armour. Many of the exhibits in this class have a personal interest as weapons once owned by men who have played a great part on the stage of Indian history. Side by side with them are a number of standards and ensigns of forms strange to the Western eye. Other accessories of Moghul ceremonial will be found in State palanquins, elephant housings and dresses of honour, while the procedure of the departments of State in regard to the grant of titles and the issue of patents of appointment to offices is illustrated by the collection of *farmans* and *sanads*.

The small collection of Mutiny relics will be of special interest to many.

There are a number of fine examples of the arts of seal-engraving and calligraphy, and it is believed that the collection of pictures is one of the most noteworthy yet exhibited in India. It contains portraits of most of the famous personages in the history of the Moghul Empire, as well as a large number of pictures of archæological interest, representing the buildings of the Palace when they were actually in use by the last Emperors and other old Delhi buildings as they were in the early part of the last century, when the artists of Upper India first turned their attention to architectural subjects.

A detailed catalogue has been prepared, and may be obtained at the Museum (price Re. 1). It gives a great deal of historical and other information, not readily accessible to visitors, and it is hoped that they will find it of assistance not merely as a guide to the Exhibition, but as a book of reference during their travels through the provinces of the old Moghul Empire.

Only a small proportion of the exhibits belong to the permanent collection. Many of the most interesting have been lent by Indian Chiefs, and among these the exhibits from Udaipur, Gwalior, Jodhpur, Bhopal, Bikaner and Alwar will be found specially worthy of notice.

The Exhibition will, it is hoped, be open from the 8th December and will remain open till the end of February. It will be open every day, except when the Fort is closed to visitors, Sundays excepted, from 10 A.M. to 4-30 P.M. Admission Re. 1.

The photographing of exhibits is strictly prohibited.

Several of the exhibits, not marked as belonging to the permanent collection or as lent by Chiefs, are for sale. Enquiries should be made in the Museum office on the premises, or, by letter, from the Honorary Secretary, Loan Exhibition, The Fort, Delhi. The exhibition has been arranged by Mr. Gordon Sanderson, of the Archæological Survey, and Mr. J. P. Thompson, I.C.S., Delhi.

## DELHI DURBAR RAILWAYS.

In order to provide for the traffic in the Durbar area, special lines, on both the broad gauge and narrow 2′ 6″ gauge, have been constructed. Visitors are advised to obtain the Delhi Durbar Railway guide for full details. The following short description shows generally the facilities offered :—

*Broad Gauge.*

The Delhi-Ambala-Kalka Railway has been doubled from Sabzi-Mandi Station to Wazirpur junction, where a connection is made with the new Durbar lines. The Southern Punjab Railway has been doubled from Brewery Cabin to Shakurpur. From Shakurpur the Durbar Railway has been constructed in a north-easterly direction to Imperial Service Troops Station, Provincial Camps Station and under the Delhi-Ambala-Kalka Railway to Azadpur junction ; from here the main line goes on to the terminal station at Kingsway, and two branch lines go in one direction to Cavalry Camps station, in another direction to the Durbar station and Army Camps station.

To relieve congestion in the main stations at Delhi, a second terminal station "Hamilton Road" has been made, with a "halt" station close to the Dufferin Bridge ; and a connection between the Agra Delhi Chord Railway at Delhi Sadar, and the main lines at Grand Trunk junction, which will divert traffic round the main station.

Local trains will run at intervals of about 15 minutes between Delhi main, or Hamilton Road, and Kingsway halting at Delhi Kishenganj, Imperial Service, Provincial Camps and Azadpur *en route*. Passengers for Cavalry Camps, Durbar, or Army Camps stations change at Azadpur. An occasional train will run *viâ* Sabzi-Mandi and Punjab Camps stations. These broad gauge trains carry about 1,100 persons and carry goods and passenger traffic of all description, but it is important that for all traffic booked through to the five broad gauge camp stations, *viz.*, Kingsway, Army Camp, Cavalry Camp, Provincial Camp and Imperial Service Troops stations goods, should be clearly marked with the special labels provided free of charge at all the chief stations in India. The labels are of distinctive colours and designs. Special trains and fully reserved carriages will be sent through to any of these camp stations. The rates for special trains, and for goods and parcels, will be found in the Delhi Durbar Railway guide, or can be ascertained at the stations. There are also representatives of the railway companies at the enquiry offices of important camps.

*Narrow gauge.*

The terminus is at Tis Hazari, with a short single line to the Mori Gate. The main line is double and runs North to the Khyber Pass, where one line goes West to the Polo ground and one North to the Durbar Amphitheatre. The line carries passengers only. Normally trains run every fifteen minutes from Tis Hazari to the two termini, half to the Polo ground and half to the Durbar station. The trains carry about 230 persons each.

The fares are as under, and apply to journeys between any pair of stations on the Durbar Railways.

## PASSENGER FARES TABLE.

Cheaper fares will be offered to those travelling by the light railway in the early morning to provide facilities for the servants of visitors to proceed to the central market or the city for provisions.

The ordinary train service on both the broad and the narrow gauge railways is liable to be suspended or will be supplemented in order to provide for the concentration of trains on the point nearest the special centre of interest for each day. Time tables will be issued from day to day giving details of the train service for the following day and will be distributed to all camps and exhibited at stations. Fares on trains for the Amphitheatre on the day of the Durbar will be increased as the time for running the last train approaches.

For the convenience of visitors and others located in the various Camps on the Durbar area a Central Market has been established on the Mall opposite the Prince's Road Light Railway Station and next door to the Electric Power House.

The Market is open daily from 5-30 A.M. up to 9 P.M. The main building consists of shops for the sale of Wines, Spirits, Oilman's stores, Tobacco, Tailoring, Saddlery and Chemists' stores. Adjoining the main building there is a market for the sale of Fruits, Vegetables, Flowers, Bread, Cakes, Biscuits, Jams, Jellies, Flour, Rice, and Grains, etc. Adjoining this building there is another market for the sale of Beef, Mutton, Poultry, Eggs, Fish, and Game. Petrol can be obtained from the Burma Oil Co. (Agents Shaw, Wallace & Co.). The Government contract rate is Rs. 1-6-0 per gallon.

The market is under the supervision of Mr. Douglas Bennett, F.Z.S., late Superintendent of the Crawford Market, Bombay.

## GOVERNMENT DURBAR DAIRY.

(CAMP 25. MAP H-9 AND I-9.)

A Government Dairy has been established in a central position on the Najafgarh Canal Road and is being worked by the Military Farms Department under the supervision of Col. R. H. Ewart, D.S.O., Assistant Director of Farms, Army Headquarters.

The installation comprises a dairy with butter making, separating and pasteurizing rooms, refrigerators, cold storage, and steam sterilising arrangements for the cleaning of utensils.

Two large Stock Yards have been established at the Central Dairy, and a Branch Depôt has been opened near Wazirabad, which will make supplies principally to the Army Camps.

The daily issues of milk are estimated to be over 25,000 lbs., and to meet these a herd of 2,000 milch cattle will be maintained. The butter supplies, which are expected to reach 1½ tons daily, will be partly obtained from the Dairy itself and partly by importation from the Military Creameries. The total staff will be about 400 men, including 60 Europeans, under the management of Mr. Smith, Dairy Expert, Army Headquarters.

Produce will be sold for cash or coupons at the following rates:—

Milk 0-2-6 per lb., Cream Re. 1 per lb., Fresh butter Re. 1-4 per lb., Cooking Butter Re. 1 per lb. These rates are reduced in the case of troops.

## DURBAR FODDER SUPPLY.

The Durbar Fodder Supply, which is in charge of Capt. Mellor of the Military Farms Department, has been arranged to provide a complete supply of fodder for the civil and military camps.

The stock of hay, which consists of about 1,80,000 maunds, is steam baled and has been obtained from the various military farms. 75,000 maunds of *bhoosa* and 23,000 maunds of baled bedding grass has also been stocked. The supplies have been stacked at 6 convenient points in the Durbar area, *viz.*, at Balsura, Samepur, Hyderpur, Wazirabad, Rajpur, and Azadpur.

The sale rate of hay in bulk is Re. 1-1-0 per maund, but in the case of late demands and retail issues the charge is Re. 1-4-0 per maund. Bedding is sold at Re. 1 per maund.

Both hay and bedding are available in exchange for coupons at all stackyards. Coupons can be purchased at the Fodder Supply Office which is situated in the Government Dairy Camp and all Dairy Depôts.

## PRECAUTIONS AGAINST FIRE.

In the Camp area, five observation stations have been established, at—

(1) The Flagstaff tower on the Ridge,
(2) The Bandstand on the Polo Ground,
(3) Kingsway Railway Station,
(4) Dahirpur village,
(5) The Rifle butts,

under the control of Lieut. P. C. S. Hobart, R. E., Administration Camp, who is in general charge of precautions against fire. Picquets will be in readiness at the observation stations to proceed to the scene of a fire; but it must be understood that it will seldom be possible for picquets to arrive on the scene in time to put out the actual tent on fire. That should be cut down at once, and extinguished by the local fire brigade of the camp.

The principal precautions to be observed will be communicated to residents by camp officers. The following are important:—

1. The use of naked lights or any form of oil lamp or candle, except hurricane lamps, should be forbidden except in camps not lit by electric light.

2. Fires for cooking, etc., should be lit only in authorised places.
3. The utmost care should be taken in the disposal of cigarette ends, matches, etc.
4. If a fire is caused by the fusing of an electric wire, the first thing to do is to switch off the current.

## WATER SUPPLY.

In order to provide a complete supply of filtered water for the Durbar camps a special installation has been erected. The filters have a capacity of over 5 million gallons a day. The total length of pipes laid down amounts to over 101 miles and the mains alone (which amount to 51 miles in length) weigh over 4,000 tons. The work throughout has been carried out under the supervision of Mr. D. W. Aikman, Sanitary Engineer, Punjab Government.

For the purpose of repairing damages and leaks the Durbar area has been divided into 5 circles and parties have been stationed at the following places, *viz.* : —

1. At the office of Superintendent of works, Camp 51, Map J-9, for the King-Emperor's Camp only.
2. At the water works Map L-10 (on the telephone) for the Central Camps, Veterans' Camp and Naval contingent.
3. Opposite Camp 313 between Camps 179 and 204 (Map J-7) for the 7 division, the Naval contingent and the Escort Camp.
4. By the fire picquet outside Dahirpur village (Map H-6) for the 3rd division, composite division and all the Chiefs' Camps.
5. Outside Camp 250 (Map E-6) opposite Azadpur village for the cavalry division and provincial camps.

In case of a break or leakage camp officers will send intimation to the nearest party.

## ELECTRIC LIGHTING INSTALLATION.

The electrical energy for lighting the camps, roads and buildings in the Durbar area is generated at a central power house specially constructed for the occasion and situated on the Alipur Road next the central post office. The station is equipped with plant of 3,200-H.P. capable of delivering 2,400 kilowatts ; it will consume some 3,000 tons of coal before and during the Durbar period, and is calculated to produce energy sufficient to light 72,000 lamps of 25 candle power.

The illumination of the roads is being carried out by means of incandescent metal fillament lamps of candle power ranging from 1,000 to 50 ; approximately 100 miles of roads are lit, and some 10,000 telegraph poles and 900 miles of copper wire have been erected for the aërial mains in camps and on roads.

Electrical Engineer in charge, Mr. J. S. Pitkeathly, Electrical Inspector, United Provinces.

*Rules which visitors are requested to observe in connection with electric light* : —

(1) Switch of all lights when not required.
(2) Do not hang anything on the fittings or wires.

(3) In case of fire turn off the main switch and smother the fire rather than quench it with water.
(4) Do not remove lamps from holders.
(5) Do not replace any fuses which blow.

In case of any fault the camp officer should be notified.

## INVITATION BUREAU.

An Invitation Bureau has been opened in the Administration Camp to deal with the issue of invitations and tickets for official events. The office is not open to the general public, and will not deal direct with individuals, but only with the staff officers of camps and groups who have been instructed how to deal with applications which they themselves receive from individual members of their groups. Invitation tickets or passes will be issued at least a week before the event to which they relate.

Membership, or season, tickets for the Polo, Hockey and Football Tournaments can also be obtained through Camp Officers only. Day tickets will be sold at the gates.

## SIGHT-SEEING.

Visitors who wish to see the numerous places of interest in and round Delhi, should consult a guide book; "Delhi Past and Present," by Mr. H. C. Fanshawe, C.S.I. (John Murray, London, 1902), is recommended. From it the following three days' itinerary has been taken :—

*First day—Morning.* Drive through the Kashmir Gate to the Fort and Palace, the Jumma Masjid, and the Chandni Chauk.

*Afternoon.*—Drive to further end of Ridge, and from there along it to the south end. Then proceed along the route of the sites of the

siege batteries and the breaches, finishing with the spot where General Nicholson was shot and grave where he lies buried.

*Second day.*—In the morning drive to the Kutab (12 miles), by the direct route of the Ajmir Gate and Safdar Jang's tomb. Spend the day there—one cannot see well all that is worth seeing in less than some four hours—and return in the evening by the same road, pausing if there is time to see the group of tombs at Khairpur. (By starting at 7-30 A.M. and having a second relay of horses, it is possible to include Tughlakabad in the day's trip; this, however, involves a drive of 35 miles, and five to six hours' sight-seeing.)

*Third day—Morning.*—Visit the Purana Kila,—Humayun's tomb and Nizam-ud-din; if possible also the tomb of Isa Khan and of Khan Khanan.

*Afternoon.*—Visit the Delhi Palace again, the Kala Masjid, and the tomb and College of Ghazi-ud-din at the Ajmir Gate.

The Roshanara garden will repay a visit.

Visitors to the Fort and the Jumma Masjid should note the following rules.

## Rules for admission to the Delhi Fort between the 15th November and 17th December 1911.

1. The Fort will be closed to visitors from the 15th of November. Passes will, however, be given to selected visitors.

3. Applications should be made at least 48 hours in advance of the date on which it is desired to visit the Fort.

4. The Fort will be closed entirely to visitors on the following days:—December 6th, 7th, 12th, 13th, 16th.

5. The Deputy Inspector General may refuse any application without assigning a reason therefor.

III. European soldiers are not allowed to enter the Mosque without a pass from their Commanding Officer, or from the Brigade Office.

IV. Non-Musalman Asiatics are not allowed to enter the Mosque without a pass from the Deputy Commissioner or from the Managing Committee. The Darwans will indicate where such passes can be obtained.

V. No smoking is allowed in the Mosque. Visitors are forbidden to take inside the Mosque, dogs, hukkas, musical instruments or any articles prohibited by Mohammadan doctrine. Persons desiring to photograph within the Mosque, must obtain special permission to do so from the Managing Committee.

VI. Visitors must not pass or stand in front of Mohammadans engaged in prayer, and are required to remain in the eastern portion of the Mosque during the hour of prayer.

VII. No chairs or benches can be taken into the Mosque without the special permission of the Committee and any taken in, with such permission, must be removed as soon as the ceremony for which they were allowed has ended.

VIII. No religious discussion is allowed in the Mosque, nor is any assemblage allowed, except for the purpose of prayer. Preaching in the Mosque is forbidden, except with the permission of the Managing Committee.
